
A BILL FOR AN ACT

RELATING TO SOLID WASTE MANAGEMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 37, Hawaii Revised Statutes, is amended
2 by adding a new section to part II to be appropriately
3 designated and to read as follows:

4 "§37- General revenues; solid waste management;
5 set-aside for research and development. The director of finance
6 shall deposit one per cent of all general revenues collected by
7 the State during each fiscal year into the solid waste
8 management research and development special fund established by
9 section 342G- ; provided that the director of finance shall
10 make deposits into the solid waste management research and
11 development special fund at least once per fiscal quarter."

12 SECTION 2. Chapter 342G, Hawaii Revised Statutes, is
13 amended by adding a new section to part III to be appropriately
14 designated and to read as follows:

15 "§342G- Solid waste management research and development
16 special fund; established. (a) There is established in the

1 state treasury the solid waste management research and
2 development special fund, into which shall be deposited:

3 (1) One per cent of all general revenues of the State
4 collected each fiscal year pursuant to section 37- ;

5 (2) Appropriations made by the legislature to the fund;
6 and

7 (3) Gifts, donations, and grants from public agencies and
8 private persons.

9 (b) All interest earned or accrued on moneys deposited in
10 the fund shall become part of the fund.

11 (c) The department shall expend moneys contained in the
12 solid waste management research and development special fund
13 only on research and development programs that will assist in
14 the State's management of solid waste.

15 (d) No later than twenty days prior to the convening of
16 the regular session of each odd-numbered year, the department
17 shall submit a report to the legislature that includes:

18 (1) An accounting of all income and expenditures of the
19 solid waste management research and development
20 special fund during the preceding fiscal year;

- 1 (2) The fund's balance as of June 30 of the preceding
2 fiscal year;
- 3 (3) A description of all research and development projects
4 funded by the solid waste management research and
5 development special fund, including a description of
6 all applicable contracts entered into and all results
7 achieved from the research and development;
- 8 (4) A plan for expenditure of moneys in the solid waste
9 management research and development special fund in
10 the next fiscal biennium; and
- 11 (5) Any other findings and recommendations, including any
12 proposed legislation."

13 SECTION 3. There is appropriated out of the general
14 revenues of the State the sum of \$ or so much thereof
15 as may be necessary for fiscal year 2021-2022 and the same sum
16 or so much thereof as may be necessary for fiscal year 2022-2023
17 to be deposited into the solid waste management research and
18 development special fund.

19 SECTION 4. There is appropriated out of the solid waste
20 management research and development special fund the sum of
21 \$ or so much thereof as may be necessary for fiscal

1 year 2021-2022 and the same sum or so much thereof as may be
2 necessary for fiscal year 2022-2023 for research and development
3 into solid waste management.

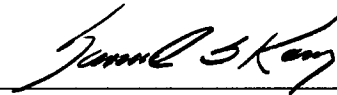

4 The sums appropriated shall be expended by the department
5 of health for the purposes of this Act.

6 SECTION 5. New statutory material is underscored.

7 SECTION 6. This Act shall take effect on July 1, 2021.

8

INTRODUCED BY:

JAN 22 2021

Report Title:

DOH; Solid Waste Management; Research and Development; General Fund Set-Aside; Appropriation

Description:

Establishes the solid waste management research and development special fund. Sets aside 1% of general revenues collected by the State each fiscal year to be deposited into the solid waste management research and development special fund. Requires the department of health to use moneys in the solid waste management research and development special fund for research and development into solid waste management. Requires the department of health to submit biennial reports to the legislature.
