JUSTIFICATION SHEET

DEPARTMENT: Budget and Finance

TITLE: A BILL FOR AN ACT RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM.

PURPOSE: To improve the funded status of the Employees' Retirement System of the State of Hawaii ("ERS") and to reduce public employer contributions by changing the formula used to credit unused sick leave toward retirement benefits for public employees who become members of the ERS after June 30, 2021.

MEANS: Amend section 88-63, Hawaii Revised Statutes.

JUSTIFICATION: Currently, members of the ERS who retire or leave government service with sixty or more days of accumulated unused sick leave receive one month of service credit for retirement benefit purposes for every twenty days of accumulated unused sick leave. These members receive additional retirement benefits because of the additional service credit, but do not make any contributions for the additional retirement benefits. The additional costs of providing retirement benefits based on accumulated unused sick leave are borne by the ERS and, ultimately, by the public employers. The current unfunded liability of the ERS is over \$14 billion. The projected period for the system to become fully funded is 26 years.

This bill will reduce by one-half the amount of retirement service credited for accumulated sick leave for public employees who join the ERS after June 30, 2021. This reduction will help to reduce the unfunded liability of the ERS and will also help to keep employer contribution costs from escalating. Further, although the amount of

service credited for accumulated sick leave will be reduced, affected public employees will still have an incentive to preserve their sick leave.

Impact on the public: None.

Impact on the department and other agencies:

ERS pension benefits due to unused sick leave credit are supported by the contributions of state and county public employers. Reducing this benefit will eventually result in lower employer contributions.

GENERAL FUND: See above.

OTHER FUNDS: See above.

PPBS PROGRAM
DESIGNATION: BUF-141/Retirement.

OTHER AFFECTED
AGENCIES: All state and county public employers.

EFFECTIVE DATE: July 1, 2021.
