S.B. NO. ⁶⁴⁶ S.D. 1

A BILL FOR AN ACT

RELATING TO TAXATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The legislature finds that traffic congestion
is a serious problem that negatively affects the quality of life
for residents and visitors in Hawaii. Congestion on the State's
roadways continues to increase, forcing people to spend more
time sitting in vehicles and less time being productive at work
or with families and friends.

7 The legislature also finds that visitors make up a large 8 proportion of public highway users and that counties have been 9 impacted differently by the level of visitors. For example, 10 Maui county has the highest number of motor vehicle rentals on a 11 per capita basis. This places a greater strain on Maui roads 12 and further increases roadway congestion.

13 The legislature believes that it is prudent to target a 14 specific group of highway users to raise revenue for necessary 15 capital improvements to some of Hawaii's highways, which will 16 relieve congestion and improve the quality of life for both 17 residents and visitors.
