4 modified herein, section 42 (with respect to low-income housing  
5 credit) of the Internal Revenue Code shall be operative for the  
6 purposes of this chapter as provided in this section. A  
7 taxpayer owning a qualified low-income building who has been  
8 awarded a subaward under section 1602 of the American Recovery  
9 and Reinvestment Act of 2009, Public Law 111-5, shall also be  
10 eligible for the credit provided in this section.

11       (b) Each taxpayer subject to the tax imposed by this  
12 chapter, who has filed a net income tax return for a taxable  
13 year may claim a low-income housing tax credit against the  
14 taxpayer's net income tax liability. The amount of the credit  
15 shall be deductible from the taxpayer's net income tax  
16 liability, if any, imposed by this chapter for the taxable year  
17 in which the credit is properly claimed on a timely basis. A

1 credit under this section may be allocated by the partnership or  
2 limited liability company in any manner agreed to by the  
3 partners or members regardless of whether the individual or  
4 entity to receive the credit is deemed to be a partner or member  
5 for federal income tax purposes, so long as the individual or  
6 entity is deemed to be a partner or member pursuant to  
7 applicable state law. The credit may be claimed whether or not  
8 the taxpayer [~~claims~~] is eligible to be allocated a federal low-  
9 income housing tax credit pursuant to section 42 of the Internal  
10 Revenue Code.

11 (c) For any qualified low-income building that receives an

15 applicable percentage of the qualified basis of each building  
16 located in Hawaii. The applicable percentage shall be  
17 calculated as provided in section 42(b) of the Internal Revenue  
18 Code.

19 (d) For any qualified low-income building that receives an  
20 allocation after December 31, 2016, the amount of the low-income

1 housing tax credits that may be claimed by a taxpayer as  
2 provided in subsection (b) shall be:

3 (1) For the first five years, equal to the amount of the  
4 federal low-income housing tax credits that have been  
5 allocated to the qualified low-income building  
6 pursuant to section 42(b) of the Internal Revenue Code  
7 by the corporation, provided that, if in any year the  
8 aggregate amount of credits under this subsection  
9 would be such that it would exceed the amount of state  
10 credits allocated by the corporation for the qualified  
11 low-income building, the credits allowed for that year  
12 shall be limited to such amount necessary to bring the  
13 total of such state credits (including the current  
14 year state credits) to the full amount of state  
15 credits allocated to the qualified low-income building  
16 by the corporation;

17 (2) For the sixth year, zero, except that, if, and only  
18 if, the amount of credits allowed for the first five  
19 years is less than the full amount of state credits  
20 allocated by the corporation for the qualified low-  
21 income building, an amount necessary to bring the

1 amount of the state credits to the full amount  
2 allocated by the corporation for the qualified low-  
3 income building; and

4 (3) For any remaining years, zero.

5 (e) If a subaward under section 1602 of the American  
6 Recovery and Reinvestment Act of 2009, Public Law 111-5, has  
7 been issued for a qualified low-income building, the amount of  
8 the low-income housing tax credits that may be claimed by a  
9 taxpayer as provided in subsection (b) shall be equal to fifty  
10 per cent of the amount of the federal low-income housing tax  
11 credits that would have been allocated to the qualified low-  
12 income building pursuant to section 42(b) of the Internal  
13 Revenue Code by the corporation had a subaward not been awarded  
14 with respect to the qualified low-income building.

15 (f) For the purposes of this section, the determination  
16 of:

17 (1) Qualified basis and qualified low-income building  
18 shall be made under section 42(c);

20 (3) Qualified low-income housing project shall be made  
21 under section 42(g);

1 (4) Recapture of credit shall be made under section 42(j),  
2 except that the tax for the taxable year shall be  
3 increased under section 42(j)(1) only with respect to  
4 credits that were used to reduce state income taxes;  
5 and

6 (5) ~~[Application]~~ Except as provided under

13 section 42(e). The definitions and special rules relating to  
14 credit period in section 42(f) and the definitions and special  
15 rules in section 42(i) shall be operative for the purposes of  
16 this section.

17 (h) The state housing credit ceiling under section 42(h)  
18 shall be zero for the calendar year immediately following the  
19 expiration of the federal low-income housing tax credit program  
20 and for any calendar year thereafter, except for the carryover  
21 of any credit ceiling amount for certain projects in progress

1 which, at the time of the federal expiration, meet the  
2 requirements of section 42.

3 (i) The credit allowed under this section shall be claimed  
4 against net income tax liability for the taxable year. For the  
5 purpose of deducting this tax credit, net income tax liability  
6 means net income tax liability reduced by all other credits  
7 allowed the taxpayer under this chapter.

8 A tax credit under this section that exceeds the taxpayer's  
9 income tax liability may be used as a credit against the  
10 taxpayer's income tax liability in subsequent years until  
11 exhausted. All claims for a tax credit under this section shall  
12 be filed on or before the end of the twelfth month following the  
13 close of the taxable year for which the credit may be claimed[-]  
14 and shall include a copy of Form 8609, or any successor form  
15 created by the Internal Revenue Service, and issued by the  
16 corporation with respect to the building; provided that with  
17 respect to the first year that the credit is claimed for a  
18 qualified low-income housing project, if the taxpayer has not  
19 yet received the Form 8609 before the time the taxpayer files  
20 the original tax return claiming the credit under this section,  
21 the taxpayer may claim the credit based upon the amount of

1 credit set forth in the carryover allocation or section 42(m)  
2 letter, as applicable, issued to the qualified low-income  
3 housing project; and upon receipt of the Form 8609 the taxpayer  
4 shall:

5 (1) Amend its tax return to include the Form 8609; and

6 (2) If the credit amount in the Form 8609 is different  
7 than the amount of credit previously claimed, adjust  
8 the credit amount claimed on the amended return.

9 Failure to properly and timely claim the credit shall constitute  
10 a waiver of the right to claim the credit. A taxpayer may claim  
11 a credit under this section only if the building or project is a  
12 qualified low-income housing building or a qualified low-income  
13 housing project under section 42 of the Internal Revenue Code.

14 ~~[Section]~~ Except as provided under subsection (j)(1),

taxpayers on Hawaii income tax returns shall not  
exceed the deductions and expenses claimed by all
