S.B. NO. 802

JAN 2 2 2021

#### A BILL FOR AN ACT

RELATING TO ELECTION REFORM.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

| - |  |
|---|--|

#### PART I

2 SECTION 1. The legislature finds that in the 2020 election 3 cycle, thousands of ballots were received after the deadline 4 despite the State and counties' best efforts to educate the 5 public about submitting ballots before the deadline. Instead of 6 requiring return identification envelopes to be received by 7 election officials by the deadline on the election day, other states require return identification envelopes to be postmarked 8 on or before election day, which makes it less confusing for the 9 10 general public.

- 11 The purpose of this part is to:
- 12 (1) Require ballots returned by mail to be postmarked on13 or before election day; and
- 14 (2) Deem ballots with illegible postmarks to have been
  15 timely postmarked if received no later than 5:00 p.m.
  16 on the third day following the election.

SECTION 8. Section 15D-10, Hawaii Revised Statutes, is 1 2 amended to read as follows: 3 "[+] \$15D-10[+] Receipt of voted ballot. A valid militaryoverseas ballot shall be counted if it [is-received by the close 4 of the polls on the day of the election and meets the 5 requirements prescribed under section 15-9." 6 7 PART II 8 SECTION 9. The legislature finds that every post office in 9 the State should have official drop boxes for voters to personally deliver marked ballots. However, if establishing 10 11 official drop boxes at every post office is not financially 12 feasible, then post offices should at least separate return 13 identification envelopes from regular mail for collection by elections officials. 14 The purpose of this part is to require county clerks to 15 16 coordinate with the United States Postal Service to establish places of deposit at each post office in the State or, if the 17 18 counties do not have the necessary funding, to enable election officials to collect return identification envelopes from each 19 post office at the same frequency that it collects return 20 identification envelopes from places of deposit. 21

1 SECTION 10. Section 11-109, Hawaii Revised Statutes, is
2 amended to read as follows:

3 "[+]\$11-109[+] Voter service centers; places of deposit.
4 (a) Voter service centers shall be established at the office of
5 the clerk, and may be established at additional locations within
6 a county as may be designated by a clerk to service the
7 particular needs of a county's voters.

8 (b) Voter service centers shall be open from the tenth
9 business day preceding the day of the election during regular
10 business hours until the time provided in section 11-131 on the
11 date of the election and at the same times statewide.

12 (c) Each voter service center shall provide the services 13 specified in section 11-1 under the definition of "voter service 14 center".

(d) The clerks may designate and provide for places of
deposit to be open five business days before the election until
7:00 p.m. on the day of the election; provided that the
locations and apparatus for receiving voted ballots can be
securely maintained during the period of use for each election,
and as may be permitted by the operational hours.

| 1  | (e) The clerks shall coordinate with the United States           |
|----|--|
| 2  | Postal Service to establish places of deposit at each post       |
| 3  | office located in the State; provided that if the counties do    |
| 4  | not have the necessary funding to establish places of deposit at |
| 5  | each post office located in the State, the clerks shall          |
| 6  | coordinate with the United States Postal Service for election    |
| 7  | officials to collect return identification envelopes from each   |
| 8  | post office at the same frequency that election officials        |
| 9  | collect return identification envelopes from places of deposit." |
| 10 | PART III   |
| 11 | SECTION 11. The legislature finds that while there are           |
| 12 | several filing dates for preliminary campaign spending reports   |
| 13 | between the primary and general elections, there are not enough  |
| 14 | filing dates leading up to the primary election. Furthermore,    |
| 15 | now that Hawaii utilizes voting by mail in all elections, people |
| 16 | can vote in primary elections before they see a preliminary      |
| 17 | campaign spending report from noncandidate committees.           |
| 18 | The purpose of this part is to require candidates,               |
| 19 | candidate committees, and noncandidate committees to file        |
| 20 | preliminary campaign spending reports on June 30 of a general    |
| 21 | election year.   |

| 6  | PART IV   |
| 7  | SECTION 14. The legislature finds that the structure for  |
| 8  | fines for violations of Hawaii's campaign finance laws is the                                   |
| 9  | same for standard noncandidate committees as it is for  |
| 10 | noncandidate committees making only independent expenditures.                                   |
| 11 | This creates an unequal playing field for standard noncandidate                                 |
| 12 | committees who are usually run by inexperienced volunteers and                                  |
| 13 | often only raise \$30,000 per election period from grassroots,                                  |
| 14 | small-dollar donations. If one the these standard noncandidate                                  |
| 15 | committees make a mistake, the fines are considered significant.                                |
| 16 | This disincentivizes smaller grassroots noncandidate committees                                 |
| 17 | from forming. In contrast, noncandidate committees making only                                  |
| 18 | independent expenditures can afford all kinds of compliance                                     |
| 19 | review and legal assistance so they are less likely to make                                     |
| 20 | mistakes in the first place, and if they do make a mistake, the                                 |
| 21 | current fine structure hardly impacts their campaign funds.                                     |

The purpose of this part is to establish a more reasonable
 fine structure for smaller grassroots noncandidate committees
 whose aggregate contributions per election period total \$30,000
 or less.

5 SECTION 15. Section 11-340, Hawaii Revised Statutes, is
6 amended to read as follows:

7 "§11-340 Failure to file report; filing a substantially 8 defective or deficient report. (a) True and accurate reports 9 shall be filed with the commission on or before the due dates 10 specified in this part. The commission may assess a fine against a person that is required to file a report under this 11 12 part if the report is not filed by the due date or if the report is substantially defective or deficient, as determined by the 13 14 commission.

(b) The fine for not filing a report by the due date, if
assessed, shall not exceed \$50 per day for the first seven days,
beginning with the day after the due date of the report, and
