A G E N D A

On August 9, the joint Committees on Higher Education and Ways and Means held an informational briefing to gather information and receive an update on various projects at the University of Hawaii, specifically procurement for the remodeling of the Clarence T.C. Ching Athletics Complex, Atherton YMCA, the Cancer Center early phase clinical trials, and evaluate the policies and procedures regarding outside employment for personnel employed at the university and at the Research Corporation of the University of Hawaii (RCUH).

However, due to time constraints, the committees were unable to cover all the topics listed above. Therefore, the purpose of this informational briefing is to take up the remaining matters as well as any outstanding inquiries that were raised at the August 9 briefing.

No public testimony will be accepted.

The cable TV broadcast and/or live stream of this meeting will include closed captioning. If you require other auxiliary aids or services to participate in the public hearing process (i.e., interpretive services (oral or written) or ASL interpreter), please contact the committee clerk at least 24 hours prior to the hearing so that arrangements can be made.

**FOR AMENDED NOTICES:** Measures that have been deleted are stricken through and measures that have been added are underscored. If a measure is both underscored and stricken through, that measure has been deleted from the agenda.

FOR FURTHER INFORMATION, PLEASE CALL THE COMMITTEE CLERK AT (808) 587-7200.
