

1) Why do you want to be a member of the Motor Vehicle Licensing Board?

To do my part for the State of Hawaii and in doing so, contribute to the overall process of ensuring compliance with all established procedures and protocols, while looking for opportunities to offer improvements where needed.

2) What do you perceive are the roles and responsibilities of a member of the Motor Vehicle Licensing Board?

Again, to ensure compliance with all established procedures and protocols, while looking for opportunities to offer improvements where needed. More specifically, as a public member of the board, to do my part to represent the interests of the public.

3) Given your understanding of the roles and responsibilities of a Motor Vehicle Industry Licensing Board member, why do you believe that you are qualified for the position? Please include a brief statement of your skills, expertise, and knowledge that would aid you as a member of the board?

In all honesty, I will most likely rely on those qualities that served me well during my extremely successful 30 year military career; 16 of which in leadership positions. Understanding my limitations in regards to understanding the board specifics, I may put myself on "training wheels" early on, but am confident that my acquired servant leadership, communication, quick learning and team player skills will again serve me well in moving forward on all fronts. I have never shied away from a challenge, whether it be in a leadership or team member role.

4) What do you hope to accomplish during your term of service?

As a public member of the board, to be a selfless servant of the people. Their concerns must be heard and I would hope that I can serve as their voice...the consummate advocate! Having served in the military, I'm fully aware that change takes time and it is never a good idea to simply change for the sake of change. My goals will remain realistic, however constantly working to seek opportunities for change where change/process improvements may be needed.

5) Name three qualities that best describe you and how these qualities will benefit the Motor Vehicle Licensing Board?

In no particular order, I would offer the following:

Honesty/Integrity - always doing the right thing for the right reasons.

Leadership ability - selfless servant leadership as the need arises.

Team player - being a team player is an essential skill when serving as a member of any team. This being said, retaining the ability to make the hard call if/when necessary in the best interest of those the board serves.

6) Name a previous experience you've had that will be beneficial as a Motor Vehicle Industry Licensing Board member?

With my many years of service, it is difficult to bring a single experience to the forefront. After serving in command positions for 16 of my 30 year career, I would have to say that bringing/keeping my teams together and moving towards a common goal always served me best. Getting the right people in the right seats on the bus leading to successful outcomes.

7) Can you foresee any possible conflicts of interest that could arise during your service on the Motor Vehicle Industry Licensing Board? How would you overcome conflicts of interest?

No conflicts of interest. Should a conflict of interest arise I would always rely on my integrity and honesty to do the hard right vs the easy wrong.

Thank you for the opportunity to provide my responses and I hope that Senator Baker and the committee find them and the format acceptable. Standing by for any questions/concerns.

Respectfully submitted,

Dr. (COLret) Randall N. Ball

Chair Baker and Members of the Committee:

My name is Catherine Awakuni Colón, and I am the Director of the Department of Commerce and Consumer Affairs (Department). The Department supports the appointment of Dr. Randall Ball to the Motor Vehicle Industry Licensing Board (Board) as a public member.

Dr. Ball is a retired colonel of the United States Army Dental Corps who specializes in pediatric dentistry. He has served distinguished academic and administrative appointments both nationally and globally, including in California, Texas, South Carolina, Hawaii, Korea, and Germany.

Dr. Ball has served on numerous international and national professional organizations, including as president and program director of a dental society in Seoul, and as secretary/treasurer, vice-president, and president of the Federal Services Academy of Pediatric Dentistry. He has also provided consulting services to dental

treatment facilities around the world, taught and mentored at various dental schools, and engaged in years of community service for dental needs.

Dr. Ball's professional experience, diverse background, and interest in service will offer a meaningful perspective to the Board. In addition, his commitment to actively participate in board meetings will greatly enhance the Board's effectiveness.

Thank you for the opportunity to testify on this measure.

Aloha

I have known Randal Ball for close to 8 years and has the ability to do this with great confidence . He understands the duty of the board and will serve it well. His past military service gives him great positive knowledge of people.
