Chair Wakai, Vice-Chair Misalucha, and Members of the Committee:

The Chamber of Commerce Hawaii ("The Chamber") **supports** GM 802 for consideration and confirmation to the Board of Directors of the Hawaii Tourism Authority, Gubernatorial Nominee, SHERRY MENOR-MCNAMARA, for a term to expire 06-30-2024.

The Chamber is Hawaii's leading statewide business advocacy organization, representing about 2,000+ businesses. Approximately 80% of our members are small businesses with less than 20 employees. As the "Voice of Business" in Hawaii, the organization works on behalf of members and the entire business community to improve the state's economic climate and to foster positive action on issues of common concern.

Ms. Menor-McNamara is currently the President and CEO of the Chamber of Commerce Hawaii, becoming the youngest and first female leader and the first Japanese-Filipino of the organization's 165-year history.

She previously worked for the Hawaii State Legislature, ESPN's Sheraton Hawaii Bowl, Sony Corporation, Sony Pictures Entertainment, Estee Lauder Company, Elton John Production, U.S. Senator Daniel Akaka and the Executive Office of the United States President. It is this wide range of experience in both the private and public sector that gives her a unique perspective that can add to the HTA Board.

Given her breathe and experience, Ms. Menor-McNamara has contributed to community services including the Queen's Health Systems, JAIDS Foundation, Girl Scouts of Hawaii, FILCom Center, East-West Center Foundation, Center for Tomorrow's Leaders, and Move Oahu Forward, as well as on a number of task forces. From her vantage point at the Chamber, Ms. Menor-McNamara maintains constant contact with a myriad of key individuals throughout Hawaii's business community, many of whom drive the economic engine of the state's tourism industry. She has been an active and enthusiastic supporter of

ongoing efforts to keep Hawaii a top-of-mind destination for visitors from around the world. Her work experiences have involved reaching out to audiences on a global scale and included living overseas in major cities like Tokyo and London as well as New York, Los Angeles and Washington D.C.

Her global mindset was further nurtured by the opportunity to participate in the prestigious Japan Ministry of Foreign Affairs leadership program, which afforded her the opportunity to meet with various senior executives from Japanese companies and government officials to promote the relationship between Japan and Hawaii.

We have no doubt that Ms. Menor-McNamara would continue to offer a fresh, globally-minded perspective to any initiative being undertaken by the HTA Board.

Thank you for this opportunity to provide testimony in support.

Comments:

On behalf myself as an individual and a principal of Holomua Consulting Group, we strongly support the confirmation of Ms. Sherry Menor-McNamara to the Board of Directors of the Hawaii Tourism Authority (HTA).

As President and CEO of the Chamber of Commerce of Hawaii (COC Hawaii), a position which she has held since September 2013, Sherry is intimately familiar with and has an excellent handle on the pulse as well as unique needs and concerns of Hawaii's business community. Under Sherry's leadership, COC Hawaii has become a strong advocate for and powerful voice of Hawaii's businesses. During the pandemic, Sherry and COC Hawaii have worked tirelessly to provide necessary information and aid to our local businesses. During the current legislative session, Sherry and COC Hawaii have brought the business community together to allow our voices to be heard.

Also under Sherry's leadership, COC Hawaii has taken affirmative steps to better understand the specific needs of the Native Hawaiian business community, through development of a formal relationship with the Native Hawaiian Chamber of Commerce, which I am president of.

I believe that Sherry's experience and perspective is a necessary one as well as one of immense value to HTA, particularly during this critical time for our State – as we navigate economic recovery, as we look to a more sustainable tourism model and as we work to diversify our economy.

Testimony of  
Mufi Hannemann  
President & CEO  
Hawai'i Lodging & Tourism Association

Senate Committee on Energy, Economic Development, & Tourism  
Governor's Message Number 802

Chair Wakai and members of the Committee, mahalo for the opportunity to submit testimony on behalf of the Hawai'i Lodging & Tourism Association, the state's largest private sector visitor industry organization.

The Hawai'i Lodging & Tourism Association—nearly 700 members strong, representing more than 50,000 hotel rooms and nearly 40,000 lodging workers —advocates on behalf of an industry that spans numerous facets of the local economy. Our members include not only lodging properties, but small businesses, restaurants, air and ground transportation, as well as countless other entities that are adjacent to the travel industry itself. It is critical that the representatives who comprise the Hawai'i Tourism Authority's Board of Directors mirror this diversity.

Sherry Menor-McNamara has been an outspoken and capable leader throughout her time as the president & CEO of the Chamber of Commerce – Hawaii. She is a strong advocate for her members, many of whom are also HLTA members, as well as Hawai'i's business sector as a whole. Should she be confirmed for another term on HTA's Board of Directors, she would bring to the table an understanding of Hawai'i's economic diversity that is vitally important to our state's top economic driver: tourism.

I have been fortunate to collaborate with Sherry throughout the pandemic as we have looked to inform public policy and balance public health with the economic well-being of our local society. As establishing members of the Hawai'i Tourism & Business Coalition, I have been able to work closely with Sherry over the past year and am confident that her voice is needed at HTA as we continue the arduous process of recovering our state's tourism economy.

**For these reasons, HLTA supports Governor's Message Number 802.**

Thank you for the opportunity to offer this testimony.

Dear Chair Wakai and Members of the Senate Committee on Energy, Economic Development and Tourism:

I am writing in support of Ms. Sherry Menor-McNamara's appointment to the Hawai'i Tourism Authority Board (HTA). I have known Sherry since her tenure as CEO of the Hawai'i Chamber of Commerce and have known her to be a dedicated and passionate leader in Hawaii's business community, as well as in the visitor industry. As CEO of the Chamber, she understands the interconnectedness of different industries, and how they all work together as part of our local economy.

Sherry deserves this appointment because she is not only an advocate for local businesses, but also an advocate for our local people, understanding that there is a balance, and often times a compromise that is necessary to making good public policies. Beyond her business acumen, Sherry possesses the character, reputation, and leadership to do what's right for our community as a board member of the HTA. She has also the emotional intelligence to bridge relationships and work through tough decisions with others in leadership positions and among her peers.

Within applicable rules, I wholeheartedly support Sherry Menor-McNamara's appointment to the HTA. Should you have questions or need additional information, please do not hesitate to contact me, 808-386-2538.

RE: Governor's Message 802

Dear Chair Wakai and the Senate Committee on Energy, Economic Development, and Tourism,

The Kona-Kohala Chamber of Commerce **supports** the Governor's Message 802 that submits for consideration and confirmation to the Board of Directors of the Hawai'i Tourism Authority, Gubernatorial Nominee, **Sherry Menor-McNamara**, for a term to expire 6-30-2024.

With nearly 500 members, the Kona-Kohala Chamber of Commerce exists to provide leadership and advocacy for a successful business environment in West Hawai'i. Since our founding in 1968, we have worked to enhance the quality of life for our community through a strong, sustainable economy on Hawai'i Island.

For many years, the Kona-Kohala Chamber has participated in a statewide chamber alliance led by the Chamber of Commerce Hawai'i President and CEO Sherry Menor-McNamara. This group meets routinely to communicate and collaborate on important issues.

Here in West Hawai'i, like other neighbor islands, tourism is the main economic driver and Hawai'i Tourism Authority plays a very important role to our local economy.

We believe Ms. Menor-McNamara brings a deep understanding of the business community to HTA's Board of Directors. She also provides an important statewide perspective because of her strong neighbor island relationships.

Please reappoint Sherry Menor-McNamara to the Hawai'i Tourism Authority Board of Directors.

Sincerely,

Dear Chair Wakai, Vice Chair Misalucha and Distinguished Members of the Committee:

The Kauai Chamber of Commerce strongly supports the reappointment of Chamber of Commerce Hawaii (COCH) President and CEO Sherry Menor-McNamara to the Board of Directors of the Hawaii Tourism Authority (HTA) for a term ending June 30, 2024.

Ms. Menor-McNamara is the state’s leading voice for business and understands the interconnectedness between tourism and Hawaii’s economic health. She represents over 2,000 businesses through her work at COCH, which distinguishes her as the preeminent representative for the Hawaii business community. She knows, better than most, how all of our state’s businesses benefit from a thriving tourism sector.

Additionally, the Kauai Chamber could not find a stronger friend, ally, and supporter to the neighbor island economies than we do with Ms. Menor-McNamara. She continues to ensure that neighbor island Chambers are consulted and included in critical conversations taking place in the corridors of power on Oahu. Her strong value of inclusiveness of the entire state makes her an excellent choice for continued service with HTA.

Ms. Menor-McNamara’s well-known track record of excellence in leadership is well known throughout the State Capitol. She works successfully across political factions in order to successfully advocate for and advance the mission of COCH. In addition, she played an invaluable role in helping navigate the difficulties presented by the COVID-19 crisis to the business community.

Ms. Menor-McNamara has earned a second term on the HTA Board of Directors.

Thank you for considering the position of the Kauai Chamber as you evaluate Ms. Menor-McNamara’s reappointment to HTA.
