As a property owner at the Kauai Kailani Resort, I am 100% in favor of SCR113. We are willing to invest our time and money into this beach restoration project. We have enjoyed this beach for over 40 years and want it to be restored to it's original splendor.

Comments:

I have been an owner first as time share starting in 1969 and currently own two fee simple units, KK-A 113 and KKJ-A 313.

This beach survived a direct hit from hurricane Iniki in 1992.

It is our intention to restore the public beach to it's previous condition.

We would rather not have a hardscape barrier that is currently protecting our property from further erosion.

Mahalo for your considerations,

Myer J Bornstein

I'm a home owner at Kauai Kailani 304.

Please, approve the sea groin.

We are in danger of losing our frontage and hence our homes.

Thank you,

Dyle Henderson
