Comments:

The Hawaii Bicycling League supports HCR78 and the requests by Waipahu residents to curb speeding and dangerous driving.

Waipahu residents were significant supporters of red light camera enforcement systems.

Whether the city conducts a comprehensive analysis, or simply looks at traffic collisions and injuries, conducts solutions meetings at crash locations, and comes up with complete street solutions, in the end Waipahu residents just want safer streets.

The city has done great work in this area. Waipahu deserves safe streets too!

Please pass this resolution.
