Maureen Andrade	Individual	Support	No

Comments:

Due to traffic congestion, causing aggressive driving some type traffic calming is needed in the Waipahu area.

Comments:

Aloha Chair Aquino and members of the committee,

I would like to lend my support to HR 66, to make the roads safer in Waiaphu. Traffic accidents continue to plague our streets despite the drop in vehicles on the road due to COVID restrictions. Please continue to move this measure and support safety on our roads.

Mahalo
