Aloha Chair Nakashima & Committee Members,

I am serving my fourth consecutive term on the North Shore Neighborhood Board Sub-District 1 (Mokule'ia to Ka'ena) which I am a lifetime resident and a Waialua Piko Ohana.

I support HCR 95 & HR 80 if tour helicopters fly in my geographical area of Waialua and The North Shore they are urged to follow the same flight route offshore that the Army and military does. The Army has representing them at our neighborhood board and others giving a monthly report which is mainly training dates that especially impacts the community regarding vehicular traffic and heilicopter flying to and from their training areas. Kawaihapai Airfield is such a place and the airfield is owned by the Army and leased to the State Department of Transportation Airports Division. Civil Aviation is closed during their training dates. They follow that route avoiding flying over residential areas in case they have an emergency which includes crashes similar to what happend in Kailua. Mahalo.

Thomas T Shirai Jr

Mokule'ia, Waialua
