Aloha!!!

My name is Duane Sosa. I am submitting testimony in OPPOSITION to SCR192. This is because I believe the State of Hawaii should be autonomous from the United Nations. Who are they to tell the people of Hawaii what things we should do and how to do them. Also, I believe the United Nations is the New World Order's 2nd attempt at a One World totalitarian Government and Order. And we should actually be resisting them.

MAHALO,

Duane
