Chairman Senator Nishihara, Vice-chair Senator English and other members of the Senate Committee on Public Safety, Intergovernmental and Military Affairs:

Mahalo especially to Senator Maile Shimabukuro for submitting this resolution in the Senate!

Ohana Ho`opakele strongly supports this resolution!

Organized in 2000 Ohana Ho`opakele has advocated for healing and rehabilitation of pa`ahao. Faith Pods based on Kapu Aloha will surely assist the disproportionately represented native Hawaiian population heal. It does not cost anything to begin, the Department of Public Safety has already expressed support for this, and our brothers in Saguaro Correctional Center in Eloy, AZ have experienced participating in Faith Pods. Even more important the experience on Mauna Kea has shown that Kapu Aloha has been experienced by more than 10,000 Hawaiians and has shown a miraculously calming and respectful atmosphere even in the midst of arrests.

Faith Pods based on Kapu Aloha in correctional centers in Hawaii will provide a safe space for pa`ahao entering the prison system for the first time, will provide a place where healing can begin at the beginning of incarceration and will introduce them to processes that could fully heal them in a pu`uhonua once they complete their incarceration period.

Mahalo for hearing this resolution! Please pass this resolution that would be a huge step in the direction of rehabilitating our pa`ahao!

Thank you for allowing us to testify in this manner!

Dear Honorable Committee Members,

Please oppose SR14. As a Humanist minister trying for years to volunteer in the prison system for the inmates, I can tell you there is a huge bias in the prison system against non-Christian clergy in Hawaii. Not only do they disallow Humanist ministers, but also representatives from the Jewish and Islamic faiths.

This blatant discrimination against non-Christian clergy shows correctional centers do not have the psychological welfare of the inmates in mind.

Thank you,

Andrea Quinn

Aloha Chair Nishihara, Vice-Chair English, and Honorable Members of the PSM Committee,

I am seeking your support for HR32 and HCR40 to allow for Kapu Aloha based faith pods within Hawaii's correctional facilities.

With your support, a safe environment within Hawaii's correctional facilities to practice religious and cultural activities can become a reality. Allowing for the sharing and teaching of Kapu Aloha could result in a reduction of violence within Hawaii's correctional institutions and lower recidivism rates.

Mahalo for your time,

Aloha mai kakou:

My name is Euel Ray Kaleihau Kamauu. I write in strong support of SCR25 / SR14, URGING FOR THE IMPLEMENTATION OF FAITH PODS IN HAWAI`I'S PRISON SYSTEM, specifically at Halawa Medium Security Facility. I am an ex-pa`ahao (prisoner) having served over 30 years in Hawai`i's prison system. While incarcerated at Watonga Correctional Facility in Oklahoma I had the privilege of being a part of the Faith Pod there. It has strengthened me in ways beyond measure and though I continue in my struggles reintegrating it is my Faith, strengthened by values and standards gained by my time in the Faith Pod, that keeps me pushing forward in my new Life.

I have experienced the changes over the years in the prison system I have seen it go from an attitude of rehabilitation to one of retribution. The latter is not the answer.

I urge you to support this resolution for the sake of our future generation. Most pa`ahao will be released one day. It is in all of our best interest that they get out better individuals and not incapacitated, angry ex-cons thinking that the world owe them. Faith Pods will be a great first step in that direction.

Mahalo!
