Dear Board Members,

We are finding ourselves limited in what we can do. We humbly ask for your help. As we all know, many have been affected by this global pandemic. We are reaching out and applying for the 2023 CITY GIA application so we can keep our mission alive. Based on the video [AgeFriendlyHonolulu] we believe our mission and goals for 2023 fits profectly with the Ciy/States campaign to have the senior community more active.

New Programs

Aside from our current programs we believe this new project could help cultivate a harmonious community

- Cultural assistance
- Leadership building
- Digital awareness for seniors
- Low income housing

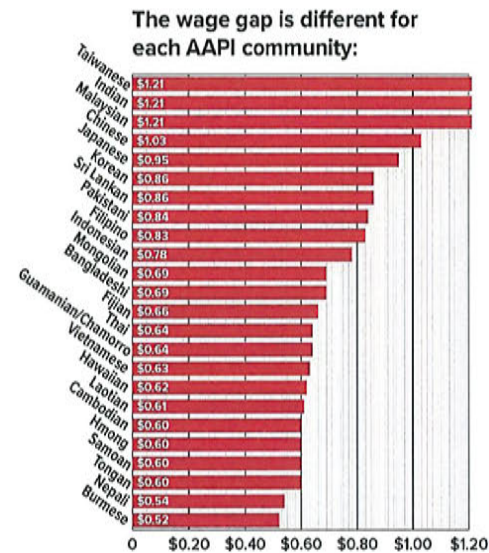

Cultural Assistance

Within the filipino, polynesian and other new migrants coming into the state, many need assistance in:

- Job placement
- Drivers license
- Financial assistance
- Medical assistance
- Food stamps

We believe many are shy and embarrassed when going into government offices to apply for help. Do to lack of this necessities, many would be tempted to start a world of criminal activities.

Having the Center be proactive and engage the community we would help a lot of new immigrants from taking the wrong path.

Leadership Building

Ask any community leader what their job really is. Most will say its about leadership development. Our goal is to train and seek out new leaders within the youth and new immigrants.

To develop there public speaking and advocacy skills. To increase confidence, and build relationships, among other peers.

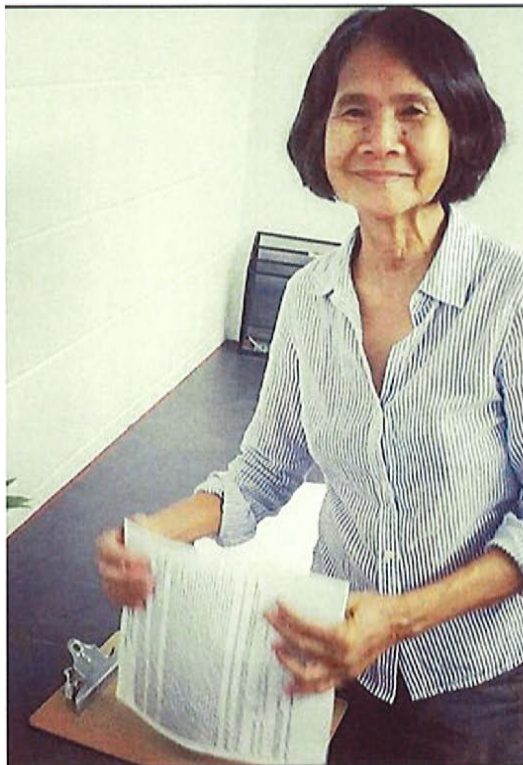

Digital Awareness For Seniors

Digital skills can be effective for senior citizens to feel empowered and in control of their own lives. Digital skills help our relationships with our families and our communities. They also help seniors to socialize, ease the pain of being alone and be creative.

Type of digital programs for seniors

- Scam Alert
- Securing data
- Remembering your password
- Etc

Low Income Housing

The Kalihi Community Center intends to purchase 712 Puuhale Road Honolulu, HI 96819.
