STATE OF HAWAII

H.B. NO. 871
H.D. 1
S.D. 1
C.D. 1

A BILL FOR AN ACT

RELATING TO AGRICULTURAL ENTERPRISES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The Hawaii Revised Statutes is amended by
2 adding a new chapter to be appropriately designated and to read
3 as follows:

4 "CHAPTER

5 AGRICULTURAL ENTERPRISES

6 § -1 Purpose. Article XI, section 3, of the Hawaii
7 State Constitution establishes in part that the "State shall
8 conserve and protect agricultural lands, promote diversified
9 agriculture, increase agricultural self-sufficiency and assure
10 the availability of agriculturally suitable lands."

11 Smaller scale farming operations, particularly those
12 associated with diversified agriculture, often do not have ready
13 access to, or the resources to pay for, their own modern
14 processing, packing, storage, and distribution enterprises to
15 allow them to expand or maximize the productivity of their
16 agricultural operations. Due to global competition and the
17 recent implementation of national food safety standards, the

1 department of agriculture has found it necessary to support the
2 growth of diversified agriculture by encouraging agricultural
3 enterprises on the department of agriculture's lands. The
4 department of agriculture encourages activities including the
5 planning, design, construction, operation, and management of
6 agricultural enterprises to ensure the economic viability of
7 agricultural operations, and allows lessees to do the same.
8 Therefore, it is in the State's best interests to establish an
9 agricultural enterprise program within the department of
10 agriculture, which will also help meet state constitutional
11 requirements to promote and support diversified agriculture and
12 increase agricultural self-sufficiency.

13 Accordingly, the purpose of this chapter is to authorize
14 the department of agriculture or its lessees to plan, design,
15 construct, operate, manage, maintain, repair, demolish, and
16 remove infrastructure or improvements on any lands over which
17 the department has jurisdiction where the activity is necessary
18 to support and promote agriculture; accept from the department
19 of land and natural resources the transfer of any lands that
20 will serve an agricultural purpose; and efficiently operate or
21 manage those resources.

1 § -2 **Definitions.** As used in this chapter, unless the
2 context otherwise requires:

3 "Agricultural activities" includes:

- 4 (1) The care and production of livestock, livestock
5 products, poultry, and poultry products;
6 (2) The care and production of apiary, horticultural, and
7 floricultural products;
8 (3) The planting, cultivating, and harvesting of crops or
9 trees; and
10 (4) Any other activity that is directly associated with
11 agriculture.

12 "Agricultural enterprise" means an activity directly and
13 primarily supporting the production and sale of agricultural
14 products in the State.

15 "Agricultural enterprise lands" means agricultural lands
16 that are not designated as agricultural parks or non-
17 agricultural park lands pursuant to chapter 166 or 166E.

18 "Aquacultural activities" means the farming or ranching of
19 any plant or animal species in a controlled salt, brackish, or
20 freshwater environment; provided that the farm or ranch is on or
21 directly adjacent to land.

1 "Board" means the board of agriculture.

2 "Department" means the department of agriculture.

3 "Lessee" means a lessee under a lease issued by or
4 transferred to the department or any tenant, licensee, grantee,
5 permittee, assignee, or other person authorized to conduct an
6 agricultural enterprise by the board or department.

7 **§ -3 Department's powers in general; agricultural**
8 **enterprises.** In addition to any other powers authorized in this
9 chapter, to support and promote agriculture, the department may:

- 10 (1) Plan, design, construct, operate, manage, maintain,
11 repair, demolish, and remove infrastructure or
12 improvements on any lands under the jurisdiction of
13 the department; and
14 (2) Permit a lessee to plan, design, construct, operate,
15 manage, maintain, repair, demolish, and remove
16 infrastructure or improvements on any lands under the
17 jurisdiction of the department.

18 **§ -4 Transfer and management of agricultural enterprise**
19 **lands and agricultural enterprises; agricultural enterprise**
20 **program.** (a) Upon mutual agreement and approval by the board
21 and the board of land and natural resources:

1 (1) The department may accept from the department of land
2 and natural resources the transfer and management of
3 certain qualifying agricultural enterprise lands and
4 agricultural enterprises; and

5 (2) Certain assets, including position counts, related to
6 the management of existing encumbered and unencumbered
7 agricultural enterprise lands and agricultural
8 enterprises, and related facilities, shall be
9 transferred to the department.

10 (b) The department shall administer an agricultural
11 enterprise program to manage the transferred agricultural
12 enterprise lands and agricultural enterprises under rules
13 adopted by the board pursuant to chapter 91. The program and
14 its rules shall be separate and distinct from the respective
15 programs and rules for agricultural parks and non-agricultural
16 parks. Agricultural enterprise lands and agricultural
17 enterprises shall not be the same as, and shall not be selected
18 or managed as, lands under agricultural park or non-agricultural
19 park leases. Notwithstanding any other law to the contrary, the
20 agricultural enterprise program shall include the following
21 conditions pertaining to the transfer of encumbered or

1 unencumbered agricultural enterprise lands and agricultural
2 enterprises:

3 (1) At the time of transfer, the lessee or permittee
4 shall:

5 (A) Be in full compliance with the existing lease or
6 permit;

7 (B) Not be in arrears in the payment of taxes, rents,
8 or other obligations owed to the State or any
9 county; and

10 (C) Have an economically viable agricultural
11 operation as determined by the board;

12 (2) No encumbered or unencumbered agricultural enterprise
13 lands and agricultural enterprises with soils
14 classified by the land study bureau's detailed land
15 classification as overall (master) productivity rating
16 class A or B shall be transferred for the use or
17 development of golf courses, golf driving ranges, or
18 country clubs; and

19 (3) The board shall determine the manner of transfer of
20 agricultural enterprise lands and agricultural
21 enterprises.

1 (c) For any encumbered or unencumbered agricultural
2 enterprise lands and agricultural enterprises transferred to the
3 department that are not being utilized or required for the
4 public purpose stated in an executive order issued by the
5 governor to the department pursuant to section 171-11, the order
6 setting aside the lands shall be withdrawn and the lands shall
7 be returned to the department of land and natural resources.

8 **§ -5 Conversion of qualified and encumbered agricultural**
9 **enterprise lands and agricultural enterprises.** The department
10 shall establish criteria by rules adopted pursuant to chapter 91
11 and, subject to approval by the board, may convert qualified and
12 encumbered agricultural enterprise lands and agricultural
13 enterprises to department leases or other forms of encumbrance.

14 **§ -6 Extension of qualified and encumbered agricultural**
15 **enterprise lands and agricultural enterprises.** Notwithstanding
16 chapter 171, the board shall establish criteria and rules to
17 allow the cancellation, renegotiation, and extension of
18 transferred encumbrances by the department. Notwithstanding any
19 law to the contrary, qualified and encumbered agricultural
20 enterprise lands and agricultural enterprises transferred to the
21 department shall not have the respective length of term of the

1 lease or rents reduced over the remaining fixed term of the
2 applicable encumbrances.

3 § -7 **Rules.** The board shall adopt rules pursuant to
4 chapter 91, including eligibility requirements for each
5 disposition and applicant qualification, to effectuate the
6 purposes of this chapter.

7 § -8 **Disposition.** (a) Notwithstanding any provision of
8 this chapter and chapter 171 to the contrary, the department may
9 dispose of the following by negotiation, drawing of lots,
10 conversion, or public auction:

11 (1) Public lands and related enterprises set aside and
12 designated for use pursuant to this chapter; and

13 (2) Other lands and enterprises subject to the authority
14 of the department pursuant to section -9.

15 Except as provided by subsection (d), the department shall
16 dispose of public lands by lease.

17 (b) In all dispositions, the department shall be subject
18 to the requirements set forth in rules adopted by the board
19 pursuant to section -7 and subject to the following:

- 1 (1) All land and enterprises shall be disposed of in a
2 manner that supports or promotes agricultural
3 activities or aquacultural activities;
- 4 (2) Each lessee shall derive a major portion of the
5 lessee's total annual income earned from the lessee's
6 activities on the premises; provided that this
7 restriction shall not apply if:
- 8 (A) Failure to meet the restriction results from
9 mental or physical disability of the lessee or
10 the loss of the lessee's spouse; or
- 11 (B) The premises are fully used to support or promote
12 the agricultural activities or aquacultural
13 activities for which the disposition was granted;
- 14 (3) The lessee shall comply with all federal and state
15 laws regarding environmental quality control;
- 16 (4) The board shall:
- 17 (A) Determine the specific uses for which the
18 disposition is intended;
- 19 (B) Parcel the land into minimum size economic units
20 sufficient for the intended uses;

- 1 (C) Make, or require the lessee to make, improvements
- 2 that are necessary to achieve the intended uses;
- 3 (D) Set the upset price or lease rent based upon an
- 4 appraised evaluation of the property value,
- 5 adjustable to the specified use of the lot;
- 6 (E) Set the term of the lease, which shall be no less
- 7 than fifteen years nor more than sixty-five
- 8 years, including any extension granted for
- 9 mortgage lending or guarantee purposes; and
- 10 (F) Establish other terms and conditions that the
- 11 board deems necessary, including restrictions
- 12 against alienation and provisions for withdrawal
- 13 by the board; and
- 14 (5) Any transferee, assignee, or sublessee of an
- 15 agricultural enterprise lease shall first qualify as
- 16 an applicant under this chapter. For the purposes of
- 17 this paragraph, any transfer, assignment, sale, or
- 18 other disposition of any interest, excluding a
- 19 security interest, by any legal entity that holds an
- 20 agricultural enterprise lease shall be treated as a
- 21 transfer of the agricultural enterprise lease and

1 shall be subject to the approval of the board,
2 reasonable terms and conditions consistent with this
3 chapter, and rules adopted pursuant to this chapter.
4 No transfer shall be approved by the board if the
5 disposition of the stock or assets or other interest
6 of the applicant would result in the failure of the
7 person to qualify for an agricultural enterprise
8 lease.

9 (c) A violation of any provision in this section shall be
10 cause for the board to cancel the lease and take possession of
11 the land, or take other action as the board, in its sole
12 discretion, deems appropriate; provided that the board shall
13 provide notice to the lessee of the violation in accordance with
14 rules adopted pursuant to section -7.

15 (d) The board may issue easements, licenses, permits, and
16 rights-of-entry for uses that are consistent with the purposes
17 for which the lands were set aside or are otherwise subject to
18 the authority of the department pursuant to section -9.

19 **§ -9 Authority to plan, design, develop, and manage**
20 **agricultural enterprise lands and agricultural enterprises.** The
21 department, or its lessees subject to the department's approval,

1 may plan, design, develop, and manage agricultural enterprise
2 lands and agricultural enterprises on:

3 (1) Public lands set aside by executive order pursuant to
4 section 171-11 for use as agricultural enterprise
5 lands and agricultural enterprises;

6 (2) Other lands with the approval of the board that may be
7 subject to a joint venture partnership agreement
8 pursuant to section -10; and

9 (3) Lands acquired by the department by way of
10 foreclosure, voluntary surrender, or otherwise
11 pursuant to section 155-4(11).

12 § -10 **Agricultural enterprise lands and agricultural**
13 **enterprise development.** On behalf of the State or in
14 partnership with a federal agency, county, or private party, the
15 department may develop agricultural enterprise lands and
16 agricultural enterprises.

17 § -11 **Lease negotiation.** (a) The department may
18 negotiate and enter into leases with any person who:

19 (1) Holds a revocable permit for agricultural purposes;

1 (2) Has formerly held an agricultural lease or a holdover
2 lease of public land that expired within the last ten
3 years and has continued to occupy the land; or

4 (3) Is determined by the department to have a beneficial
5 impact on agriculture;

6 provided that the department shall notify in writing those
7 eligible for lease negotiations under this section and shall
8 inform the applicants of the terms, conditions, and restrictions
9 provided by this section.

10 Any eligible person may apply for a lease by submitting a
11 written application to the department within thirty days from
12 the date of receipt of notification; provided that the
13 department may require documentary proof from any applicant to
14 determine that the applicant meets eligibility and qualification
15 requirements for a lease.

16 (b) Lands eligible for lease negotiations under this
17 section are limited to lands that are:

18 (1) Determined to be sufficiently capable of serving
19 agricultural purposes;

- 1 (2) Set aside to the department for agricultural or
2 agricultural-related uses by the governor through an
3 executive order; and
- 4 (3) Not needed by any state or county agency for any other
5 public purpose.
- 6 (c) In negotiating and executing a lease pursuant to this
7 section, the board shall:
- 8 (1) Require the appraisal of the parcel using the Uniform
9 Standards of Professional Appraisal Practice to
10 determine the rental amount, including percentage of
11 rent;
- 12 (2) Require the payment of a premium, computed as twenty-
13 five per cent of the annual lease rent; provided that
14 the premium to be added to the annual lease rent for
15 each year of the lease shall be equal to the number of
16 years the lessee has occupied the land; provided
17 further that the premium period shall not exceed seven
18 years; and
- 19 (3) Recover from the lessee the costs of expenditures
20 required by the department to convert the parcel into
21 a leasehold.

1 **§ -12 Public lands exemption.** Notwithstanding
2 chapter 171, disposition of lands set aside for use pursuant to
3 this chapter shall not be subject to the prior approval of the
4 board of land and natural resources.

5 **§ -13 Rights of holders of security interests.** (a)
6 Prior board action shall be required when an institutional
7 lender acquires the lessee's interest through a judicial or
8 nonjudicial foreclosure sale, by way of assignment in lieu of
9 foreclosure, or when the institutional lender sells or causes
10 the sale of the lessee's interest in a lease by way of a
11 judicial or nonjudicial foreclosure sale. The institutional
12 lender shall convey to the board a copy of the sale or
13 assignment as recorded in the bureau of conveyances.

14 (b) Notwithstanding any other provision of this chapter,
15 for any lease that is subject to a security interest held by an
16 institutional lender who has given to the board a copy of the
17 encumbrance as recorded in the bureau of conveyances:

18 (1) If the lease is canceled for violation of any non-
19 monetary lease term or condition, or if the lease is
20 deemed terminated or rejected under bankruptcy laws,
21 the institutional lender shall be entitled to issuance

1 of a new lease in its name for a term equal to the
2 term of the lease remaining immediately before the
3 cancellation, termination, or rejection, with all
4 terms and conditions being the same as in the
5 canceled, terminated, or rejected lease, except only
6 for the liens, claims, and encumbrances, if any, that
7 were superior to the institutional lender before the
8 cancellation, termination, or rejection; provided that
9 a lease that is rejected or deemed rejected under
10 bankruptcy law shall be deemed canceled and terminated
11 for all purposes under state law;

12 (2) If the lessee's interest under a lease is transferred
13 to an institutional lender, including by reason of
14 paragraph (1), acquisition of the lessee's interest
15 pursuant to a judicial or nonjudicial foreclosure
16 sale, or an assignment in lieu of foreclosure:

17 (A) The institutional lender shall be liable for the
18 obligations of the lessee under the lease for the
19 period of time during which the institutional
20 lender is the holder of the lessee's interest;
21 provided that the institutional lender shall not

1 be liable for any obligations of the lessee
2 arising after the institutional lender has
3 assigned the lease; and

4 (B) Section -8(b) (1) and (2) shall not apply to
5 the lease or the demised land during the time the
6 institutional lender holds the lease; provided
7 that:

8 (i) For non-monetary lease violations, the
9 institutional lender shall first remedy the
10 lease terms that caused the cancellation,
11 termination, or rejection to the
12 satisfaction of the board; and

13 (ii) The new lease issued to the institutional
14 lender shall terminate one hundred twenty
15 days from the effective date of issuance, at
16 which time the institutional lender shall
17 either sell or assign the lease and section
18 -8(b) (1) and (2) shall apply to the new
19 lease;

20 (3) If there is a delinquent loan balance secured by a
21 security interest:

- 1 (A) The lease shall not be canceled or terminated,
- 2 except for cancellation by reason of default of
- 3 the lessee;
- 4 (B) No increase over and above the fair market rent,
- 5 based upon the actual use of the land demised and
- 6 subject to the use restrictions imposed by the
- 7 lease and applicable laws, shall be imposed or
- 8 become payable; and
- 9 (C) No lands shall be withdrawn from the lease,
- 10 except either by eminent domain proceedings
- 11 beyond the control of the board or with prior
- 12 written consent of the institutional lender,
- 13 which shall not be unreasonably withheld; and
- 14 (4) If the lease contains any provision requiring the
- 15 payment of a premium to the lessor on assignment of
- 16 the lease, any premium shall be assessed only after
- 17 all amounts owing by any debt secured by a security
- 18 interest held by an institutional lender have been
- 19 paid in full.
- 20 (c) Ownership of both the lease and the security interest
- 21 by an institutional lender shall not effect or cause a merger

1 thereof, and both interests shall remain distinct and in full
2 force and effect unless the institutional lender elects in
3 writing to merge the lease and security interest with the
4 consent of the board.

5 (d) The board may include in any consent form or document
6 provisions consistent with the intent of this section as may be
7 required to make a lease mortgageable or more acceptable for
8 mortgageability by an institutional lender.

9 (e) The rights of a purchaser, assignee, or transferee of
10 an institutional lender's security interest, including a junior
11 lien holder, shall be exercisable by the purchaser, assignee, or
12 transferee as successor in interest to the institutional lender;
13 provided that:

14 (1) The purchase, assignment, or transfer shall conform
15 with subsection (b) (4); and

16 (2) The purchase, assignment, or transfer of the rights
17 shall be reserved for and exercisable only by an
18 institutional lender.

19 Other purchasers shall not be precluded from acquiring the
20 institutional lender's security interest but shall not have

1 exercisable rights as successor in interest to the original
2 institutional lender.

3 (f) For the purposes of this section:

4 "Institutional lender" means a federal, state, or private
5 lending institution, licensed to do business in the State, that
6 makes loans to qualified applicants on the basis of a lease
7 awarded for security, in whole or in part, together with any
8 other entity that acquires all or substantially all of an
9 institutional lender's loan portfolio.

10 "Security interest" means any interest created or perfected
11 by a mortgage, assignment by way of mortgage, or by a financing
12 statement and encumbering a lease, land demised by the lease, or
13 personal property located at, affixed or to be affixed to, or
14 growing or to be grown upon the demised land."

15 SECTION 2. Section 141-1, Hawaii Revised Statutes, is
16 amended to read as follows:
