
A BILL FOR AN ACT

RELATING TO CONCESSIONS ON PUBLIC PROPERTY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that section 102-2,
2 Hawaii Revised Statutes, provides that concessions on public
3 property are to be granted by sealed top-dollar bid, with
4 limited exceptions.

5 Section 102-2, Hawaii Revised Statutes, also allows some
6 concessions to be exempt from bidding requirements because a
7 person or entity offering the most money may not be the best
8 suited or qualified to meet the government's goals to preserve
9 public-owned assets, such as parks, or may not be best suited or
10 qualified to serve the needs of the public, including the
11 enhancement of customer and visitor experiences. Thus, the
12 legislature finds that the controlling factors in the award of
13 concessions should not be limited to pricing or whether a
14 concession is operated by a for profit or nonprofit entity.

15 The legislature also finds that requiring concessionaires
16 to incur construction costs pose challenges. While public
17 leases may be granted for up to sixty-five years, concession

1 contracts may not exceed fifteen years, making it difficult for
2 agencies to find concessionaires who are willing to invest in
3 the necessary capital improvements to provide satisfactory
4 concession services to visitors and residents of the State. It
5 is difficult for potential concessionaires to generate
6 sufficient revenues to support operations while amortizing the
7 concessions' construction and other costs at the current lease
8 and contract lengths of fifteen years. Accordingly, the
9 legislature believes that it is in the public's best interests
10 to provide flexibility and to authorize the increase of the
11 maximum length of a concession contract from fifteen years to
12 twenty-five years. Further, determination as to whether a
13 county park is environmentally, culturally, historically, or
14 operationally unique for the purpose of determining whether a
15 concession should be exempt from sealed bidding requirements
16 should be made by the director of parks and recreation of the
17 respective county.

18 The purpose of this Act is to facilitate the provision of
19 concession services to the public by:

20 (1) Increasing the maximum length of concession contracts
21 from fifteen years to twenty-five years;

1 (2) Broadening requirements to permit all types of
2 entities to be eligible to compete for certain
3 concessions that are exempt from the sealed bid
4 requirements of section 102-2(a), Hawaii Revised
5 Statutes; and

6 (3) Providing that a county director of parks and
7 recreation shall designate which county parks are
8 environmentally, culturally, historically, or
9 operationally unique for the purpose of determining
10 whether a concession at the park is exempt from the
11 sealed bid requirements of section 102-2(a), Hawaii
12 Revised Statutes.

13 SECTION 2. Section 102-2, Hawaii Revised Statutes, is
14 amended by amending subsections (a) and (b) to read as follows:

15 "(a) Except as otherwise specifically provided by law, no
16 concession or concession space shall be leased, let, licensed,

17 respective county director of parks and recreation, in
18 the director's sole discretion, as environmentally,

20 provided that the concessions are awarded to the
21 responsible offeror whose proposal is determined to be

1 the most advantageous, taking into consideration
 2 prices and evaluation factors set forth in the request
 3 for proposals;

4 ~~[(10)]~~ (12) For operation of concessions that furnish goods
