
A BILL FOR AN ACT

RELATING TO TAXATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that taxes and fees
2 associated with vehicles, such as gasoline and vehicular weight
3 taxes, tend to be imposed in a regressive manner in Hawaii,
4 resulting in low- and middle-income residents paying a larger
5 share of their incomes to those taxes and fees than high-income
6 residents. Specifically, gasoline taxes burden low- and middle-
7 income persons disproportionately since they typically have
8 older vehicles that are not as fuel-efficient as newer vehicles.
9 Similarly, vehicular weight taxes burden low- and middle-income
10 persons disproportionately as newer models can be lighter;
11 although this is highly susceptible to a consumer's choice in a
12 vehicle. This burden is compounded for low- and middle-income
13 persons in rural areas who must travel farther distances for
14 basic goods and services, work, and leisure.

15 The purpose of this Act is to provide some relief to low-
16 income persons by providing a refundable tax credit for a
17 portion of the annual state vehicle registration fee for persons

1 who are eligible to receive a food/excise tax credit greater
2 than \$0.

3 SECTION 2. Section 23-96, Hawaii Revised Statutes, is
4 amended by amending subsection (c) to read as follows:

5 "(c) This section shall apply to the following:

6 (1) Section 235-15--Credit for purchase of child passenger
7 restraint system;

8 (2) Section 235-55.6--Credit for employment-related
9 expenses for household and dependent care services;

10 (3) Section 235-55.7--Credit for a low-income household
11 renter; and

12 (4) Section 235-55.85--Credit for food and excise tax~~[-]~~
13 and vehicle registration."

14 SECTION 3. Section 235-55.75, Hawaii Revised Statutes, is
15 amended by amending subsection (g) to read as follows:

16 "(g) This section shall apply to taxable years beginning
17 after December 31, 2017, but shall not apply to taxable years
18 beginning after December 31, ~~[2022-]~~ 2028."

19 SECTION 4. Section 235-55.85, Hawaii Revised Statutes, is
20 amended to read as follows:

9 income tax return is being filed; provided that an individual

8 physically present in the State for more than nine months during
9 the taxable year; and provided further that multiple exemptions
10 shall not be granted because of deficiencies in vision or
11 hearing, or other disability. For purposes of claiming [~~this~~]
12 the food/excise tax credit only, a minor child receiving support
13 from the department of human services of the State, social
14 security survivor's benefits, and the like, may be considered a
15 dependent and a qualified exemption of the parent or guardian.
