13 governance framework for broadband mapping and digital
14 equity data from various sources, including digital
15 literacy, telehealth, distance education, remote work,
16 internet accessibility, and service coverage to
17 support mapping, reporting, infrastructure deployment,
18 and data-driven policy.
- 19 (b) The office may enter into contracts, in accordance
20 with chapter 103D, for consulting services to render
21 professional and technical assistance and advice, and any other

1 contracts for consulting services that are necessary and proper
2 for the implementation of its duties under subsection (a)."

3 SECTION 3. Section 206S-4, Hawaii Revised Statutes, is
4 amended by amending subsection (a) to read as follows:

5 "(a) The office shall:

6 (1) Seek input and the widest possible cooperation from
7 public and private agencies and individuals to achieve
8 the purposes of this chapter;

9 (2) Work closely with and assist the counties in the
10 promotion of coordinated state and county broadband
11 and digital equity planning;

12 (3) Encourage every state department, county agency, and
13 other public or private agencies and individuals
14 involved in broadband programs to participate in the
15 activities of the office and incorporate, to the
16 extent feasible, the ideas and suggestions of the
17 participants in the office's comprehensive planning
18 goals;

19 (4) Monitor the broadband-based development efforts of
20 other states and nations in areas such as business,
21 education, and health;
