# A BILL FOR AN ACT

---

RELATING TO DEPARTMENT OF EDUCATION RESIDENCY REQUIREMENTS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that given expanding  
2 telework options and infrastructure, the hiring of entirely  
3 remote professionals for certain positions within the department  
4 of education has the potential to satisfy critical hiring needs  
5 in a fiscally prudent manner. This is particularly applicable  
6 to positions in the areas of information technology and online  
7 learning, as well as other highly specialized positions.

8       The purpose of this Act is to help satisfy critical hiring  
9 needs in a fiscally prudent manner by exempting certain  
10 department of education employees from the state residency  
11 requirement under section 78-1, Hawaii Revised Statutes.

12       SECTION 2. Section 78-1, Hawaii Revised Statutes, is  
13 amended by amending subsection (f) to read as follows:

14       "(f) This section shall not apply to persons recruited and  
15 employed by the University of Hawaii under the authority of  
16 section [4]304A-1001[4-] and persons recruited and employed by

1 the department of education under the authority of section  
2 302A- ."

3 SECTION 3. Chapter 302A, part III, subpart B, Hawaii  
4 Revised Statutes, is amended by adding a new section to be  
5 appropriately designated and to read as follows:

6 "§302A- Personnel exempt from state residency  
7 requirement. (a) The department of education may recruit and  
8 employ professionals without regard to section 78-1(c) only if:

9 (1) The superintendent determines that the position is  
10 capable of being performed entirely remotely and  
11 provides to the board the factual basis for this  
12 determination;

13 (2) The superintendent determines that the position is a  
14 critical hiring need of the department and provides to  
15 the board the factual basis for this determination;

16 (3) The superintendent determines that an exemption from  
17 the state residency requirement under section 78-1(c)  
18 is in the fiscal interests of the department and  
19 provides to the board the factual basis for this  
20 determination; and

1        (4) The board, in its discretion and by a majority of its  
2        members, approves the exemption request."

3        SECTION 4. Statutory material to be repealed is bracketed  
4 and stricken. New statutory material is underscored.

5        SECTION 5. This Act shall take effect upon its approval.
