
A BILL FOR AN ACT

RELATING TO PUBLIC SCHOOL LAND TRANSFER.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that before statehood,
2 each county within the territory of Hawaii governed its own
3 respective public education system. Among other matters of
4 statewide concern, Act 97, Session Laws of Hawaii 1965 (Act 97),
5 vested in the State responsibility for the planning,
6 construction, improvement, and maintenance of public school
7 grounds and facilities. Prior to Act 97, counties issued bonds
8 to plan, construct, improve, and maintain public school
9 facilities and grounds.

10 Act 154, Session Laws of Hawaii 2003, conveyed to the State
11 the fee simple title to certain county of Hawaii lands used by
12 the department of education. Act 206, Session Laws of Hawaii
13 2017 (Act 206), directed to the department of land and natural
14 resources the conveyance of the fee simple title to certain city
15 and county of Honolulu lands used by the department of
16 education. Act 272, Session Laws of Hawaii 2019, amended Act
17 206 by designating the transferee as the department of education

1 instead of the department of land and natural resources.
2 Act 210, Session Laws of Hawaii 2018, directed the conveyance to
3 the department of education of the fee simple title to
4 additional city and county of Honolulu lands used by the
5 department of education.

6 The legislature further finds that the department of
7 education has invested significant public funds on maintenance
8 and capital improvement projects for new school facilities. The
9 expenditure of these funds was done without regard to the
10 underlying fee ownership of the real property. Act 155, Session
11 Laws of Hawaii 2013 (Act 155), authorized the department of
12 education to develop its assets to create twenty-first century
13 schools. Act 155 also authorized the department of education to
14 explore different mechanisms to redevelop its assets, including
15 revenue generation to support investments in twenty-first
16 century schools.

17 The legislature also finds that split ownership of the land
18 under existing public schools creates problems for
19 redevelopment, especially when private investment is involved.
20 This has resulted in delays in the permitting and delivery of
21 vital capital improvements throughout the public school system.

1 The legislature also finds that, to provide the department
2 of education with flexibility to redevelop, reposition, and
3 improve its assets in a timely and efficient manner, sole
4 ownership of all land under existing public schools should be
5 consolidated and held by the department of education.

6 The purpose of this Act is to:

- 7 (1) Convey to the department of education fee simple title
8 to the lands used by the department of education for
9 public schools and offices that are currently held by
10 the counties of Kauai and Maui, the State, and the
11 department of land and natural resources;
- 12 (2) Require legislative approval prior to the sale or gift
13 of lands to which the department of education holds
14 title; and
- 15 (3) Appropriate the sum of \$ to effectuate the
16 transfer of the properties identified herein and for
17 the department of education to effectively manage real
18 property held by the department of education.

19 SECTION 2. (a) Notwithstanding any other law to the
20 contrary, the fee simple interest to the parcels of land set
21 forth by this section, below, together with the existing

1 improvements thereon, but not including submerged land, accreted
2 land, or any land makai of the legal shoreline (collectively,
3 the properties), shall be conveyed by their respective owner or
4 owners to the department of education as grantee, as is, where
5 is. The department of education shall accept the properties in
6 their existing condition. All claims and liabilities against
7 the grantors, if any, that the department of education has, may
8 have had, or may have in the future, regarding any injury, loss,
9 cost, damage, or liability, including reasonable attorney's
10 fees, concerning the physical, environmental, soil, economic,
11 and legal conditions of the properties, shall be released,
12 waived, and extinguished.

13 (b) The respective owner or owners of the properties shall
14 prepare, execute, and record, in the land court or bureau of
15 conveyances, as appropriate, a quitclaim deed to convey each of
16 the properties together with all existing improvements. Work to
17 initiate the conveyance of the properties shall commence no
18 later than December 31, 2022.

19 (c) As these are conveyances in which the county and the
20 State and its agencies are the only parties, the tax imposed by
21 section 247-1, Hawaii Revised Statutes, shall not apply.

1 (d) Effective on the date of transfer, every reference to
2 the titleholder of the properties shall be construed as a
3 reference to the department of education.
