8       statute shall be exclusive or uniform throughout the  
9       State;

10       (14) Each county shall have the power to:

20               rubbish and garbage;

4           and to dispose of the real and personal property as  
5           the interests of the inhabitants of the county may  
6           require, except that:

7           (A) Any property held for school purposes may not be  
8               disposed of without the consent of the  
9               superintendent of education;

10          (B) No property bordering the ocean shall be sold or  
11               otherwise disposed of; and

12          (C) All proceeds from the sale of park lands shall be  
13               expended only for the acquisition of property for

16           for the prosecution of all offenses and to prosecute  
17           for offenses against the laws of the State under the  
18           authority of the attorney general of the State;

19       (18) Each county shall have the power to make  
20           appropriations in amounts deemed appropriate from any  
21           moneys in the treasury, for the purpose of:

- 1 (A) Community promotion and public celebrations;
- 2 (B) The entertainment of distinguished persons as may
- 3 from time to time visit the county;
- 4 (C) The entertainment of other distinguished persons,
- 5 as well as, public officials when deemed to be in
- 6 the best interest of the community; and
- 7 (D) The rendering of civic tribute to individuals

11 provided that all revenues received from a toll  
12 charge shall be used for the construction or  
13 maintenance of county highways;

14 (20) Each county shall have the power to regulate the  
15 renting, subletting, and rental conditions of property  
16 for places of abode by ordinance[+], including but not  
17 limited to the power to prohibit discrimination  
18 against renters based on their source of income;

19 (21) Unless otherwise provided by law, each county shall  
20 have the power to establish by ordinance the order of

1            succession of county officials in the event of a  
2            military or civil disaster;

3        (22) Each county shall have the power to sue and be sued in  
4            its corporate name;

5        (23) Each county shall have the power to:

6            (A) Establish and maintain waterworks and sewer  
7            works;

8            (B) Implement a sewer monitoring program that  
9            includes the inspection of sewer laterals that  
10           connect to county sewers, when those laterals are  
11           located on public or private property, after  
12           providing a property owner not less than ten  
13           calendar days' written notice, to detect leaks  
14           from laterals, infiltration, and inflow, any  
15           other law to the contrary notwithstanding;

16           (C) Compel an owner of private property upon which is  
17           located any sewer lateral that connects to a  
18           county sewer to inspect that lateral for leaks,  
19           infiltration, and inflow and to perform repairs  
20           as necessary;

1 (D) Collect rates for water supplied to consumers and  
2 for the use of sewers;

3 (E) Install water meters whenever deemed expedient;  
4 provided that owners of premises having vested  
5 water rights under existing laws appurtenant to  
6 the premises shall not be charged for the  
7 installation or use of the water meters on the  
8 premises; and

9 (F) Take over from the State existing waterworks  
10 systems, including water rights, pipelines, and  
11 other appurtenances belonging thereto, and sewer  
12 systems, and to enlarge, develop, and improve the  
13 same;

14 (G) For purposes of subparagraphs (B) and (C):

15 (i) "Infiltration" means groundwater, rainwater,  
16 and saltwater that enters the county sewer  
17 system through cracked, broken, or defective  
18 sewer laterals; and

19 (ii) "Inflow" means non-sewage entering the  
20 county sewer system via inappropriate or  
21 illegal connections;

1           (24) (A) Each county may impose civil fines, in addition  
2                   to criminal penalties, for any violation of  
3                   county ordinances or rules after reasonable  
4                   notice and requests to correct or cease the  
5                   violation have been made upon the violator. Any  
6                   administratively imposed civil fine shall not be  
7                   collected until after an opportunity for a  
8                   hearing under chapter 91. Any appeal shall be  
9                   filed within thirty days from the date of the  
10                  final written decision. These proceedings shall  
11                  not be a prerequisite for any civil fine or  
12                  injunctive relief ordered by the circuit court;

13           (B) Each county by ordinance may provide for the  
14                  addition of any unpaid civil fines, ordered by  
15                  any court of competent jurisdiction, to any  
16                  taxes, fees, or charges, with the exception of  
17                  fees or charges for water for residential use and  
18                  sewer charges, collected by the county. Each  
19                  county by ordinance may also provide for the  
20                  addition of any unpaid administratively imposed  
21                  civil fines, which remain due after all judicial

1 review rights under section 91-14 are exhausted,  
2 to any taxes, fees, or charges, with the  
3 exception of water for residential use and sewer  
4 charges, collected by the county. The ordinance  
5 shall specify the administrative procedures for  
6 the addition of the unpaid civil fines to the  
7 eligible taxes, fees, or charges and may require  
8 hearings or other proceedings. After addition of  
9 the unpaid civil fines to the taxes, fees, or  
10 charges, the unpaid civil fines shall not become  
11 a part of any taxes, fees, or charges. The  
12 county by ordinance may condition the issuance or  
13 renewal of a license, approval, or permit for  
14 which a fee or charge is assessed, except for  
15 water for residential use and sewer charges, on  
16 payment of the unpaid civil fines. Upon  
17 recordation of a notice of unpaid civil fines in  
18 the bureau of conveyances, the amount of the  
19 civil fines, including any increase in the amount  
20 of the fine which the county may assess, shall  
21 constitute a lien upon all real property or

1 rights to real property belonging to any person  
2 liable for the unpaid civil fines. The lien in  
3 favor of the county shall be subordinate to any  
4 lien in favor of any person recorded or  
5 registered prior to the recordation of the notice  
6 of unpaid civil fines and senior to any lien  
7 recorded or registered after the recordation of  
8 the notice. The lien shall continue until the  
9 unpaid civil fines are paid in full or until a  
10 certificate of release or partial release of the  
11 lien, prepared by the county at the owner's  
12 expense, is recorded. The notice of unpaid civil  
13 fines shall state the amount of the fine as of  
14 the date of the notice and maximum permissible  
15 daily increase of the fine. The county shall not  
16 be required to include a social security number,  
17 state general excise taxpayer identification  
18 number, or federal employer identification number  
19 on the notice. Recordation of the notice in the  
20 bureau of conveyances shall be deemed, at such  
21 time, for all purposes and without any further

1           action, to procure a lien on land registered in  
2           land court under chapter 501. After the unpaid  
3           civil fines are added to the taxes, fees, or  
4           charges as specified by county ordinance, the  
5           unpaid civil fines shall be deemed immediately  
6           due, owing, and delinquent and may be collected  
7           in any lawful manner. The procedure for  
8           collection of unpaid civil fines authorized in  
9           this paragraph shall be in addition to any other  
10          procedures for collection available to the State  
11          and county by law or rules of the courts;

12          (C) Each county may impose civil fines upon any  
13          person who places graffiti on any real or  
14          personal property owned, managed, or maintained  
15          by the county. The fine may be up to \$1,000 or  
16          may be equal to the actual cost of having the  
17          damaged property repaired or replaced. The  
18          parent or guardian having custody of a minor who  
19          places graffiti on any real or personal property  
20          owned, managed, or maintained by the county shall  
21          be jointly and severally liable with the minor

1           for any civil fines imposed hereunder. Any such  
2           fine may be administratively imposed after an  
3           opportunity for a hearing under chapter 91, but  
4           such a proceeding shall not be a prerequisite for  
5           any civil fine ordered by any court. As used in  
6           this subparagraph, "graffiti" means any  
7           unauthorized drawing, inscription, figure, or  
8           mark of any type intentionally created by paint,  
9           ink, chalk, dye, or similar substances;

10           (D) At the completion of an appeal in which the  
11           county's enforcement action is affirmed and upon  
12           correction of the violation if requested by the  
13           violation, the case shall be reviewed by the  
14           county agency that imposed the civil fines to  
15           determine the appropriateness of the amount of  
16           the civil fines that accrued while the appeal  
17           proceedings were pending. In its review of the  
18           amount of the accrued fines, the county agency  
19           may consider:

20           (i) The nature and egregiousness of the  
21           violation;

- 1           (ii) The duration of the violation;
- 2           (iii) The number of recurring and other similar
- 3                 violations;
- 4           (iv) Any effort taken by the violator to correct
- 5                 the violation;
- 6           (v) The degree of involvement in causing or
- 7                 continuing the violation;
- 8           (vi) Reasons for any delay in the completion of
- 9                 the appeal; and
- 10          (vii) Other extenuating circumstances.

11           The civil fine that is imposed by administrative

12           order after this review is completed and the

13           violation is corrected shall be subject to

14           judicial review, notwithstanding any provisions

15           for administrative review in county charters;

- 16          (E) After completion of a review of the amount of
- 17           accrued civil fine by the county agency that
- 18           imposed the fine, the amount of the civil fine
- 19           determined appropriate, including both the
- 20           initial civil fine and any accrued daily civil
- 21           fine, shall immediately become due and

1 collectible following reasonable notice to the  
2 violator. If no review of the accrued civil fine  
3 is requested, the amount of the civil fine, not  
4 to exceed the total accrual of civil fine prior  
5 to correcting the violation, shall immediately  
6 become due and collectible following reasonable  
7 notice to the violator, at the completion of all  
8 appeal proceedings; and

9 (F) If no county agency exists to conduct appeal  
10 proceedings for a particular civil fine action  
11 taken by the county, then one shall be  
12 established by ordinance before the county shall  
13 impose the civil fine;

14 (25) Any law to the contrary notwithstanding, any county  
15 mayor, by executive order, may exempt donors, provider  
16 agencies, homeless facilities, and any other program  
17 for the homeless under part XVII of chapter 346 from  
18 real property taxes, water and sewer development fees,  
19 rates collected for water supplied to consumers and  
20 for use of sewers, and any other county taxes,  
21 charges, or fees; provided that any county may enact

ordinances to regulate and grant the exemptions  
granted by this paragraph;

(26) Any county may establish a captive insurance company  
pursuant to article 19, chapter 431; and

(27) Each county shall have the power to enact and enforce  
ordinances regulating towing operations."

SECTION 2. Statutory material to be repealed is bracketed  
and stricken. New statutory material is underscored.

SECTION 3. This Act shall take effect upon its approval.
