A BILL FOR AN ACT

RELATING TO THE ENVIRONMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. (a) The department of health shall:

2 (1) Fill the vacant environmental management division
3 chief staff position by October 1, 2022;

4 (2) Require that the clean water branch of the
5 environmental division continue to test water quality
6 as part of its Hawaii beach monitoring program during
7 brown water advisories, adhering to their regularly
8 scheduled beach sampling schedule; provided that no
9 water sample shall be collected by clean water branch
10 personnel until any hazardous conditions at affected
11 beaches have subsided;

12 (3) Issue health advisories during brown water advisories
13 that explain the health risks associated with water
14 runoff, including but not limited to informational
15 signs posted during these advisories at affected tier
16 1 beaches;

1 (4) Take into consideration environmental justice issues
2 in the assessment of use, when considering usage and
3 public health risk for its determination and ranking
4 of beaches for inclusion in Hawaii's beach monitoring
5 program; and

6 (5) Establish an environmental management division
7 oversight advisory board to provide oversight and
8 guidance to the environmental management division.

9 (b) The department of health shall adopt or amend its
10 administrative rules in accordance with chapter 91, Hawaii
11 Revised Statutes, as necessary to implement this section.

12 (c) As used in this Act, "tier 1 beaches" means those
13 beaches designated as tier 1 by the department of health
14 pursuant to the federal Beaches Environmental Assessment and
15 Coastal Health Act of 2000.

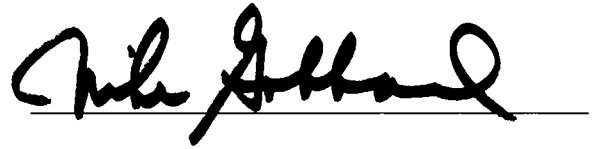

16 SECTION 2. (a) The legislative reference bureau shall
17 conduct a comprehensive review of the environmental management
18 division of the department of health; provided that the
19 comprehensive review shall focus on, but not be limited to the
20 environmental management division's clean water branch and
21 wastewater branch.

1 (b) The legislative reference bureau shall submit a report
2 of its findings and recommendations, including any proposed
3 legislation, to the legislature no later than twenty days prior
4 to the convening of the regular session of 2023.

5 SECTION 3. This Act shall take effect on July 1, 2022.

6
INTRODUCED BY:

Report Title:

Department of Health; Environmental Management Division; Clean Water Branch; Wastewater Branch; Hawaii Beach Monitoring Program; Environmental Justice; Brown Water Advisories; Beaches; Legislative Reference Bureau; Review

Description:

Requires the Department of Health to fill the vacant division chief staff position within the Environmental Management Division by 10/1/2022 and consider environmental justice issues when making certain assessments and determinations. Requires the Clean Water Branch to perform water quality testing during brown water advisories, inform the public of health risks associated with water runoff during brown water advisories, and establish an Environmental Management Division Oversight Advisory Board. Requires the Legislative Reference Bureau to conduct a comprehensive review of the Environmental Management Division.

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.
