RELATING TO THE TRANSFER OF NON-AGRICULTURAL PARK LANDS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Act 90, Session Laws
2 of Hawaii 2003, was enacted to transfer certain non-agricultural
3 park lands from the department of land and natural resources to
4 the department of agriculture. While three hundred parcels
5 consisting of approximately nineteen thousand acres have been
6 transferred over the past seventeen years, many parcels have not
7 been transferred.

8 The purpose of this Act is to set a deadline for the
9 transfer of certain non-agricultural park lands from the
10 department of land and natural resources to the department of
11 agriculture pursuant to Act 90, Session Laws of Hawaii 2003, and
12 chapter 166E, Hawaii Revised Statutes, and to require the two

The program and its rules shall be separate and distinct from the agricultural park program and its rules. Non-agricultural park lands are not the same as, and shall not be selected or managed as are lands under agricultural park leases. Prior to offering a lease, the department shall inquire with the department of land and natural resources regarding any easements required by the department of land and natural resources on the lands subject to the lease.

Notwithstanding any other law to the contrary, the program shall

1 include the following conditions pertaining to encumbered non-
2 agricultural park lands:

10 board; and

11 (4) No encumbered or unencumbered non-agricultural park
12 lands with soils classified by the land study bureau's
13 detailed land classification as overall (master)
14 productivity rating class A or B shall be transferred
15 for the use or development of golf courses, golf
16 driving ranges, and country clubs.

17 The transfer of non-agricultural park lands shall be done [~~in a~~
18 ~~manner to be determined by the board of agriculture.~~] pursuant
19 to this section.

21 park lands transferred to the department that are not being

1 utilized or required for the public purpose stated, the order
2 setting aside the lands shall be withdrawn and the lands shall
3 be returned to the department of land and natural resources.

4 (d) No later than one year after the effective date of
5 this Act, the department of agriculture and the department of
6 land and natural resources shall meet and identify by mutual
7 agreement the non-agricultural park lands under the jurisdiction
8 of the department of land and natural resources that are not in
9 use for the public purpose for which it has been leased and
10 should be rezoned as lands in the conservation district and
11 should remain under the jurisdiction of the department of land
12 and natural resources. All other non-agricultural park lands
13 currently leased and being utilized for the agricultural public
14 purpose defined by their current lease agreements shall be
15 transferred to the department.

16 (e) All non-agricultural park lands under the jurisdiction
17 of the department of land and natural resources and not
18 identified pursuant to subsection (d) shall be placed under the
