
A BILL FOR AN ACT

RELATING TO SCHOOL IMPROVEMENTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. (a) The department of education shall conduct
2 an electrical assessment on all public and conversion charter
3 schools in the State to determine whether each school's
4 electrical capacity will allow for the installation of air
5 conditioning units and other air purifying devices in each
6 classroom to improve ventilation.

7 (b) No later than December 31, 2021, the department of
8 education shall submit to the legislature a report of the
9 department's findings and recommendations regarding whether each
10 school's electrical capacity will allow for the installation of
11 air conditioning units and other air purifying devices in each
12 classroom of each public and conversion charter school in the
13 State. The report shall note the level of need for air
14 conditioning units in classrooms of each public and charter
15 school in the State.

16 SECTION 2. This Act shall take effect upon its approval.

Report Title:

Education; Electrical Capacity; Air Conditioning; Schools; DOE;
Report

Description:

Requires the department of education to conduct an electrical assessment on all public and conversion charter schools in the State to determine whether its electrical capacity will allow for the installation of air conditioning units and other air purifying devices and note the level of need in each classroom. Requires the department of education to submit a report of its findings and recommendations to the legislature no later than 12/31/2021. (SD2)
