SENATE RESOLUTION

REQUESTING THE HAWAII POLICE DEPARTMENT TO PRIORITIZE AN
INCREASED POLICE PRESENCE IN OCEAN VIEW AND COLLABORATE
WITH THE DEPARTMENT OF ACCOUNTING AND GENERAL SERVICES TO
CONDUCT A FEASIBILITY STUDY ON LOCATING A POLICE SUBSTATION
IN HAWAIIAN OCEAN VIEW ESTATES.

1 WHEREAS, Hawaiian Ocean View Estates (Ocean View) in Hawai'i
2 County is one of the fastest-growing subdivisions in the United
3 States; and
4

5 WHEREAS, this population growth has resulted in a
6 corresponding rise in crime, with many residents reporting
7 concerns of illegal dumping, abandoned vehicles, property crime,
8 and feral dog attacks; and
9

10 WHEREAS, historically, requests for increased police
11 presence for South Kona and Ka'u, including Ocean View, have been
12 overlooked and calls for an increase in marked police vehicles
13 to patrol and surveil these areas have not been fulfilled; and
14

15 WHEREAS, the Hawai'i Police Department currently operates a
16 police office in the Ocean View subdivision, but cannot process
17 or book arrestees at the existing office, and the closest police
18 substation capable of booking and processing is located over
19 fourteen miles away in Nā'ālehu; and
20

21 WHEREAS, after an arrestee is detained and booked at the
22 Nā'ālehu substation, they are then transported to the Hilo or
23 Kona police stations for holding; and
24

25 WHEREAS, the distance between police department facilities
26 on Hawai'i Island has resulted in lengthy response times for
27 police service in Ocean View, as the officers assigned to Ocean
28 View must transport arrestees to Nā'ālehu and thereafter to Hilo
29 or Kona, preventing them from responding to calls for assistance
30 during these transportation related absences; and
31

WHEREAS, the Hawai'i Police Department's presence in Ocean View must be expanded to reflect population growth and to appropriately respond to increased reports of crime in the area; now, therefore,

BE IT RESOLVED by the Senate of the Thirty-first Legislature of the State of Hawaii, Regular Session of 2022, that the Hawai'i Police Department is requested to:

- (1) Increase police staffing in Ocean View and prioritize policing in the subdivision by increasing patrols by marked police vehicles and shortening response times;
- (2) Assess necessary requests for capital improvement projects in Ocean View; and
- (3) Submit a report of its findings and recommendations, including any legislation and identifying steps taken to mitigate public safety concerns and increase police presence in Ocean View, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2023; and

BE IT FURTHER RESOLVED that the Department of Accounting and General Services, in collaboration with the Hawai'i Police Department, is requested to:

- (1) Conduct a feasibility study on locating a police substation on State land to service Ocean View; and
- (2) Submit a report of their findings and recommendations, including any legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2023; and

1 BE IT FURTHER RESOLVED that certified copies of this
2 Resolution be transmitted to the Comptroller, Office of the
3 Mayor of Hawai'i County, and Chief of the Hawai'i Police
4 Department.
