## SENATE RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO CONVENE A TASK  
FORCE TO CONDUCT A FEASIBILITY STUDY ON ALTERNATE EMERGENCY  
ACCESS ROUTES TO SERVE THE HANAIEI TO HA'ENA COMMUNITIES.

1 WHEREAS, the Hawaiian Islands have seen an increase in  
2 severe storm events; and  
3

4 WHEREAS, in Kauai County, events of flooding and landslides  
5 render Hanalei and surrounding communities extremely vulnerable  
6 to risks caused by severe weather events; and  
7

8 WHEREAS, in 2018, catastrophic flooding and landslides  
9 impaired access and isolated Hanalei Valley for several weeks  
10 and the communities of Ha'ena and Wainiha for much longer; and  
11

12 WHEREAS, just three years later, in 2021, a landslide  
13 covered Hanalei Hill and cut off the entirety of Hanalei and  
14 surrounding communities from the rest of Kauai for approximately  
15 two weeks; and  
16

17 WHEREAS, these natural disasters and their impacts on  
18 access routes and infrastructure cut off vulnerable populations,  
19 such as keiki and kupuna, from vital health services, affect  
20 emergency services, and disrupt school and work access and the  
21 flow of critical goods and services, impairing businesses and  
22 livelihoods; and  
23

24 WHEREAS, an alternative route for ingress and egress in the  
25 event of natural disasters would provide an important evacuation  
26 route for residents and visitors in the Hanalei area and help to  
27 support community resiliency; and  
28

29 WHEREAS, potential alternate access routes include the  
30 previous access road, currently used for electric utility lines  
31 and utility substation, and over United States Fish and Wildlife  
32 Service lands; now, therefore,  
33

1 BE IT RESOLVED by the Senate of the Thirty-first  
2 Legislature of the State of Hawaii, Regular Session of 2022,  
3 that the Department of Transportation is requested to convene a  
4 task force to conduct a feasibility study of alternate emergency  
5 access routes for the Hanalei to Ha'ena communities; and

6  
7 BE IT FURTHER RESOLVED that the Department of  
8 Transportation, in convening the task force, is requested to  
9 seek participation and input from the following stakeholders:

23 (7) County of Kauai;  
24  
25 (8) Kaua'i Island Utility Cooperative;  
26  
27 (9) United States Fish and Wildlife Service;  
28  
29 (10) United States Geological Service; and  
30  
31 (11) United States Army Corps of Engineers; and  
32

33 BE IT FURTHER RESOLVED that the Department of  
34 Transportation is requested to submit a report of its findings  
35 and recommendations, including any proposed legislation and an  
36 estimate of required appropriation amounts, to the Legislature  
37 no later than twenty days prior to the convening of the Regular  
38 Session of 2023; and  
39

40 BE IT FURTHER RESOLVED that certified copies of this  
41 Resolution be transmitted to the Project Leader of the Pacific  
42 Islands U.S. Fish and Wildlife Office, Region 12 Regional

1 Director of the U.S. Geological Survey, Honolulu District
