

STAND. COM. REP. NO. 3983

Honolulu, Hawaii

APR 14 2022

RE: GOV. MSG. NO. 826

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committee on Energy, Economic Development, and Tourism, to which was referred Governor's Message No. 826, submitting for study and consideration the nomination of:

STADIUM AUTHORITY

G.M. No. 826 MICHAEL YADAO,
for a term to expire 06-30-2025,

begs leave to report as follows:

Your Committee reviewed the personal history, resume, and statement submitted by Michael Yadao for service on the Stadium Authority.

Your Committee received testimony in support of the nomination for the appointment of Michael Yadao from the Stadium Authority, Hawaii Building & Construction Trades Council, SanHi Government Strategies, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Yadao's professional experience, extensive knowledge of the construction industry and government policies and procedures, and commitment to the success of the New Aloha Stadium Entertainment District development qualify him for appointment to the Stadium Authority as an at-large member. Your Committee further finds that Mr. Yadao is currently the Executive Director of the Hawaii Masons' and Plasters' Unions Stabilization Committee, and that in that capacity, he is responsible for developing and leading the organization's strategic plan and the execution of organizational programs. Your Committee additionally finds that Mr. Yadao served

as the Deputy Director of the Governor's Office of Constituent Services from 2011 to 2012, and that his duties in this capacity included directing responses to requests for assistance from the public and coordinating with state departments to ensure timely responses. Your Committee notes that Mr. Yadao is active in the community, and has held positions of leadership in organizations, including the Democratic Party of Hawaii, Hawaii State Boxing Commission, Shriners Hospitals for Children Hawaii, Boy Scouts of America Aloha Council, and Shobukan Judo Club. Your Committee also finds that Mr. Yadao's considerable experience working with the government, private and public sector agencies and organized labor organizations, as well as his dedication to serving the community and advancing development of the New Aloha Stadium Entertainment District, will be assets to the Stadium Authority. Your Committee therefore recommends that Michael Yadao be appointed to the Stadium authority based on his experience, knowledge, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Energy, Economic Development, and Tourism that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Respectfully submitted on
behalf of the members of the
Committee on Energy, Economic
Development, and Tourism,
