

STAND. COM. REP. NO. 667-22

Honolulu, Hawaii

FEB 18, 2022

RE: H.B. No. 2338
H.D. 1

Honorable Scott K. Saiki
Speaker, House of Representatives
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committees on Health, Human Services, & Homelessness and Transportation, to which was referred H.B. No. 2338 entitled:

"A BILL FOR AN ACT RELATING TO THE STATE DRUG AND ALCOHOL TOXICOLOGY TESTING LABORATORY,"

beg leave to report as follows:

The purpose of this measure is to:

- (1) Appropriate funds from the State Highway Fund to the Department of Health's State Drug and Alcohol Toxicology Testing Laboratory Special Fund for fiscal year 2022-2023; and
- (2) Authorize the Department of Health to expend these funds for the establishment of the State Drug and Alcohol Toxicology Testing Laboratory.

Your Committees received testimony in support of this measure from the Department of Health, Department of Transportation, Honolulu Police Department, and Mothers Against Drunk Driving Hawaii.

Your Committees find that Act 196, Session Laws of Hawaii 2021 (Act 196), among other things, established the State Drug and Alcohol Toxicology Testing Laboratory Special Fund to be used for

2022-1641 HB2338 HD1 HSCR HMSO

the cost of establishing a State Drug and Alcohol Toxicology Testing Laboratory. A drug and alcohol toxicology testing laboratory within the State is needed to provide law enforcement and prosecutors with resources to protect the public from impaired drivers.

Your Committees further find that the State Drug and Alcohol Toxicology Testing Laboratory Special Fund was to be funded with monies appropriated from the State Highway Fund; however, Act 196 failed to make this appropriation. This measure addresses that oversight by providing the Department of Health with startup funding from the State Highway Fund necessary to establish the State Drug and Alcohol Toxicology Testing Laboratory.

Your Committees have amended this measure by:

- (1) Changing the appropriations from the State Highway Fund and State Drug and Alcohol Toxicology Testing Laboratory Special Fund to unspecified amounts;
- (2) Changing the effective date to July 1, 2060, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

Should your Committee on Finance deliberate on this measure further, your Committees respectfully request that it consider appropriating \$400,000 from both the State Highway Fund and the State Drug and Alcohol Toxicology Testing Laboratory Special Fund for the establishment of the State Drug and Alcohol Toxicology Testing Laboratory.

As affirmed by the records of votes of the members of your Committees on Health, Human Services, & Homelessness and Transportation that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 2338, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 2338, H.D. 1, and be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committees on Health, Human
Services, & Homelessness and
Transportation,

HENRY J. AQUINO, Chair

RYMON I. YAMANE, Chair
