

STAND. COM. REP. NO.

146

Honolulu, Hawaii

FEB 11 2021

RE: S.B. No. 1333
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2021
State of Hawaii

Sir:

Your Committee on Health, to which was referred S.B. No. 1333
entitled:

"A BILL FOR AN ACT RELATING TO THE UNIFORM CONTROLLED
SUBSTANCES ACT,"

begs leave to report as follows:

The purpose and intent of this measure is to remove
cannabidiol drugs that have been approved by the United States
Food and Drug Administration from the list of Schedule V
substances for consistency with federal laws.

Your Committee received testimony in support of this measure
from Greenwich Biosciences, Inc.

Your Committee finds that section 329-11, Hawaii Revised
Statutes, requires that the State's list of controlled substances
comport with the list of controlled substances under federal law.
Your Committee further finds that Food and Drug Administration
recently approved the prescription drug Epidiolex, and generic
versions of that drug which is a plant-derived prescription
cannabinoid product used to treat seizures associated with certain
types of epilepsy, including rare and difficult to treat forms of
childhood-onset epilepsy. This measure brings state law in
conformity with federal law by removing approved cannabidiol drugs
from the State's schedule V list of controlled substances.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1333, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 1333, S.D. 1, and be referred to your Committee on Judiciary.

Respectfully submitted on
behalf of the members of the
Committee on Health,

JARRETT KEOHOKALOLE, Chair

The Senate
Thirty-First Legislature
State of Hawai'i
