

STAND. COM. REP. NO.

2128

Honolulu, Hawaii

FEB 09 2022

RE: S.B. No. 2033

S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committee on Health, to which was referred S.B. No. 2033
entitled:

"A BILL FOR AN ACT RELATING TO THE ELECTRONIC PRESCRIPTION
ACCOUNTABILITY SYSTEM,"

begs leave to report as follows:

The purpose and intent of this measure is to require that the
dispensing of a pharmacist-prescribed opioid antagonist be
reported to the State's Electronic Prescription Accountability
System (System).

Your Committee received testimony in support of this measure
from the Department of Health and Department of Public Safety.
Your Committee received comments on this measure from Kaiser
Permanente Hawaii.

Your Committee finds that Act 255, Session Laws of Hawaii
2019, authorized pharmacists to issue prescriptions for opioid-
antagonists, thereby increasing access to lifesaving drugs.
Although pharmacists are required to report the dispensation of
certain controlled substances to the System, they are not required
to report opioid antagonist prescriptions. This measure requires
pharmacists to report prescriptions for opioid antagonists to the
System, providing the Department of Health with valuable data to
help prevent opioid overdose.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 2033, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 2033, S.D. 1, and be referred to your Committee on Judiciary.

Respectfully submitted on
behalf of the members of the
Committee on Health,

JARRETT KEOHOKALOLE, Chair

The Senate
Thirty-First Legislature
State of Hawai'i
