CONFERENCE COMMITTEE REP. NO. 72 -22

Honolulu, Hawaii

APR 2 9 2022 RE: S.B. No. 2295 S.D. 2 H.D. 2 C.D. 1

Honorable Ronald D. Kouchi President of the Senate Thirty-First State Legislature Regular Session of 2022 State of Hawaii

Honorable Scott K. Saiki Speaker, House of Representatives Thirty-First State Legislature Regular Session of 2022 State of Hawaii

Sirs:

Your Committee on Conference on the disagreeing vote of the Senate to the amendments proposed by the House of Representatives in S.B. No. 2295, S.D. 2, H.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO THE DEPARTMENT OF TRANSPORTATION. "

having met, and after full and free discussion, has agreed to recommend and does recommend to the respective Houses the final passage of this bill in an amended form.

The purpose of this measure is to:

- Require the Department of Transportation to plan for sea (1) level rise in all future or amended transportation projects; and
- (2) Require all Department of Transportation highway, harbor, and airport projects to conform to certain carbon concrete standards except in certain circumstances.

Your Committee on Conference finds that sea level rise is a problem that must be factored into future transportation projects. Your Committee on Conference further finds that these transportation projects must also conform with carbon concrete standards except in special circumstances.

CONFERENCE COMMITTEE REP. NO.

Your Committee on Conference has amended this measure by changing its effective date to July 1, 2022.
