

STAND. COM. REP. NO. 3688

Honolulu, Hawaii

APR 05 2022

RE: S.C.R. No. 119

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committee on Water and Land, to which was referred
S.C.R. No. 119 entitled:

"SENATE CONCURRENT RESOLUTION URGING THE BOARD OF LAND AND
NATURAL RESOURCES TO RENAME THE RUSSIAN FORT ELISABETH STATE
HISTORICAL PARK IN WAIMEA, KAUA'I, AS "PA'ULA'ULA", "

begs leave to report as follows:

The purpose and intent of this measure is to urge the Board
of Land and Natural Resources to rename the Russian Fort Elisabeth
State Historical Park in Waimea, Kauai, as "Paulaula".

Your Committee received testimony in support of this measure
from the Department of Land and Natural Resources, Ke One O
Kākuhihewa - O'ahu Council of the Association of Hawaiian Civic
Clubs, Kaumuali'i Hawaiian Civic Club, and one individual. Your
Committee received testimony in opposition to this measure from
the Center for Hawaiian Sovereignty Studies.

Your Committee finds that Paulaula is the traditional place
name for the eastern bank at the mouth of the Waimea River, and
Paulaula was the location of the royal compound of Kaumualii, the
alii ai moku of Kauai. In 1815, the Russian-American Company sent
Georg Anton Schaffer, a medical physician, to Kauai to retrieve
the Company's trade ship Bering's lost cargo, receive payment for
the cargo, and salvage any remaining pieces from the Bering. In
1816, Kaumualii and Schaffer entered into a secret treaty, which
provided for the construction of forts on the island of Kauai,

including one in Paulaula. In 1816, Schaffer began construction of a stronghold in Paulaula, to be named "Fort Elisabeth", after the consort of Emperor Alexander I. In 1817, the fort at Paulaula, constructed largely from a Hawaiian labor force, and with rocks from Waimea River's east bank, was completed. However, Kaumualii and Schaffer's agreement was short-lived, and Schaffer was driven away by Kaumualii's people in 1818.

Your Committee additionally finds that following Schaffer's departure, Kaumualii, and later his descendants, occupied the Waimea fort, which was utilized as an administrative center, prison, and burial ground. The Hawaiian government completed the fort and used the structure until 1864, when it was abandoned. Since abandonment of the fort at Paulaula, numerous names have been given to this enclosure, including "Paulaula", "Fort Elisabeth", and "stone fort", reflecting its cultural significance and multicultural history.

Your Committee further finds that in 1972, the State acquired the seventeen-acre property encompassing the fort structure for the purpose of preserving the site. The fort site, administered as the Russian Fort Elisabeth Historical Park, was designated as a National Historic Landmark in 1962 and listed on the Hawaii Register of Historic Places in 1981. In 2018, an informal working group, composed of representatives from various cultural and historical organizations on Kauai, government agencies, and the Russian-American community, formed to discuss the future of the site. Representatives from Kauai's community believe that the name "Paulaula" should be restored to honor the name of the site and to ensure that the moololo of this wahi pana is shared and the aina that cares for the iwi kupuna is honored.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 119 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Water and Land,

LORRAINE R. INOUE, Chair

The Senate
 Thirty-First Legislature
 State of Hawai'i
