

STAND. COM. REP. NO. 3637

Honolulu, Hawaii

APR 04 2022

RE: S.C.R. No. 145

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred
S.C.R. No. 145 entitled:

"SENATE CONCURRENT RESOLUTION URGING THE STATE OF HAWAII TO
SUPPORT THE DEVELOPMENT AND DEPLOYMENT OF ZERO EMISSIONS
INTERISLAND TRANSPORTATION,"

begs leave to report as follows:

The purpose and intent of this measure is to request that the
State of Hawaii support the development and deployment of zero
emissions interisland transportation.

Your Committee received testimony in support of this measure
from the Hawaii State Energy Office, REGENT, Hawaii Think Tank,
Hawaii Center for Advanced Transportation Technologies, and
ZeroAvia. Your Committee received comments on this measure from
the Department of Transportation.

Your Committee finds that Hawaii has adopted laws and set
goals to achieve a carbon negative economy by 2045. Hawaii is
ideally suited to adopt new zero emissions sea and air
transportation for interisland travel due to the relatively short
distance between destinations. The adoption of such technology
can mean significant long-term savings on the cost of travel,
fuel, and commodities for Hawaii residents and visitors.
Therefore, the purpose of this resolution is to encourage the
State of Hawaii to support the development and deployment of zero
emissions interisland travel technologies.

3637

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 145 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

CHRIS LEE, Chair

The Senate
Thirty-First Legislature
State of Hawai'i
