

STAND. COM. REP. NO.

3672

Honolulu, Hawaii

APR - 4 2022

RE: S.C.R. No. 204
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committee on Water and Land, to which was referred
S.C.R. No. 204 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
PLANNING AND PERMITTING OF THE CITY AND COUNTY OF HONOLULU TO
PUBLISH ON ITS WEBSITE ALL DECISIONS REGARDING WAIVERS AND
VARIANCES,"

begs leave to report as follows:

The purpose and intent of this measure is to request the
Department of Planning and Permitting of the City and County of
Honolulu to publish on its website all decisions regarding waivers
and variances.

Your Committee received testimony in support of this measure
from the Kahuku Community Association, CountryTalkStory.com, 'Āina
Haina Community Association, Hawaii's Thousand Friends, and five
individuals. Your Committee received comments on this measure
from one individual.

Your Committee finds that the decisions rendered by the
Department of Planning and Permitting of the City and County of
Honolulu impact communities and the quality of life of residents.
Currently, the Director of Planning and Permitting of the City and
County of Honolulu has the authority to provide exceptions to
building and land use requirements. The current process for
granting or denial of waivers and variances lacks transparency as

documents pertaining to those decisions are not easily accessible to members of the public. The Department of Planning and Permitting oversees functions critical to ensuring public safety and comprehensive land use planning such as enforcement of zoning, building, electrical, housing, plumbing, and energy codes; administration of the Land Use Ordinance; preparation of the Oahu General Plan; transit-oriented development; and development and sustainable community plans. In light of the March 2021 indictment of five current or former Department of Planning and Permitting employees for allegedly accepting bribes to fast track permits and provide other special treatment, your Committee further finds that maintaining the public's trust is paramount to the Department of Planning and Permitting and success of new developments.

Your Committee has amended this measure by adding the Executive Officer of the Public Utilities Commission to the list of recipients of certified copies.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 204, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 204, S.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Water and Land,

LORRAINE R. INOUÉ, Chair

The Senate
 Thirty-First Legislature
 State of Hawai'i
