

STAND. COM. REP. NO.

3604

Honolulu, Hawaii

APR - 1 2022

RE: S.R. No. 214

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committees on Health and Public Safety,
Intergovernmental, and Military Affairs, to which was referred
S.R. No. 214 entitled:

"SENATE RESOLUTION REQUESTING THE AUDITOR TO CONDUCT A STUDY
ON THE RELATIONSHIP BETWEEN THE CURRENT PRICES OF AND ACCESS
TO MEDICAL CANNABIS AND THE VOLUME OF ILLICIT CANNABIS SALES
IN THE STATE,"

beg leave to report as follows:

The purpose and intent of this measure is to request the
Auditor to conduct a study on the relationship between current
prices of and access to medical cannabis and the volume of illicit
cannabis sales in the State.

Your Committees received testimony in support of this measure
from Akamai Cannabis Consulting. Your Committees received
comments on this measure from the Office of the Auditor.

Your Committees find that since the passage of Act 241,
Session Laws of 2015, which established a regulated statewide
medical cannabis dispensary system, licensed medical cannabis
dispensaries have averaged only a thirty-one percent market share
of the State's registered medical cannabis patients. The
remaining sixty-nine percent of registered medical cannabis
patients, equating to more than twenty thousand patients, other
purchase medical cannabis from the illicit market or obtain
cannabis by growing it themselves. Your Committees find that this

disparity could be partially attributed to the lack of access to licensed dispensaries, as existing law authorizes a maximum of sixteen licensed retail dispensing locations across the State. Another contributing factor could be the price of medical cannabis from a licensed dispensary as compared to cannabis from the illicit market. This measure requests the Auditor to conduct a study on the relationship between current prices of and access to medical cannabis and the volume of illicit cannabis sales in the State.

As affirmed by the records of votes of the members of your Committees on Health and Public Safety, Intergovernmental, and Military Affairs that are attached to this report, your Committees concur with the intent and purpose of S.R. No. 214 and recommend its adoption.

Respectfully submitted on
behalf of the members of the
Committees on Health and Public
Safety, Intergovernmental, and
Military Affairs,

CLARENCE K. NISHIHARA, Chair

JARRETT KEOHOKALOOLE, Chair

The Senate
Thirty-First Legislature
State of Hawai'i
