HOUSE COMMITTEE ON FINANCE SUPPLEMENTAL BUDGET REQUEST FOR FISCAL YEAR 2023 JANUARY 11, 2022

TESTIMONY BY RYKER WADA, DIRECTOR DEPARTMENT OF HUMAN RESOURCES DEVELOPMENT

Honorable Chair Luke, Vice Chair Cullen, and Members of the House Committee on Finance:

I am Ryker Wada, Director for the Department of Human Resources Development (DHRD). I am here today to present the Department's supplemental budget request for Fiscal Year 2023.

Mission Statement

The Department's mission is to attract and maintain a qualified and high performing workforce within applicable fiscal and operational constraints. This includes recruitment activities for civil service positions; providing support for personnel actions that are necessary as a result of the State's fiscal status; classifying positions based on the duties and responsibilities; identifying and coordinating employee training and development opportunities; compensating employees at proper pay levels; assuring effective employee-employer relations; administering a variety of voluntary employee benefits; administering the State's self-insured workers' compensation program for State employees; and ensuring a safe and healthy work environment.

Impact of Current State-Wide Conditions

The coronavirus pandemic changed the landscape of the workplace. DHRD, as the central personnel agency for the State Executive Branch, continues to help and guide the line departments in all the critical work they do, and in doing so, help the State of Hawaii to be a better place to live. Issues we have been addressing include remote work environment, preventative measures to limit the spread of the illness in the workplace, employee benefits and financial relief measures, accommodation and compliance implications for COVID-19, and increasing opportunities for employees working remotely to access on-demand learning.

Federal Funds

The Department has no programs that have lost or are at risk of losing federal funds.

Non-General Funds

Reports on the Department's non-general funds pursuant to HRS 37-47 were submitted to the Legislature on October 1, 2021.

Budget Request

Department programs were asked to be prudent and focused in their fiscal planning. Requests for additional resources were limited to those critical to improving program operations.

The Department has five (5) supplemental budget requests for Fiscal Year 2023:

- 1. HRD102 Addition of \$80,000 for the Learning Management System to increase the number of licenses to accommodate all non-email users, and employees in temporary and exempt positions regardless of the length of their appointment; and to streamline the log in process by implementing a unique user ID system that will follow the employee regardless of transfer within the Executive Branch.
- 2. HRD102 Addition of two permanent Human Resources Specialist positions and \$65,136 for the Employee Classification program to help address the workload in an adequate and timely manner; and to train and develop State human resources professionals in classification.
- 3. HRD102 Addition of \$283,600 for an integrated Workers' Compensation Claims Management System. DHRD is responsible for administering the State's centralized, self-insured workers' compensation program, which covers all State Executive Branch agencies (except for the DOE, UH, and HHSC), Charter Schools, and the Legislature. Funding for an integrated workers' compensation claims management system will allow DHRD to maximize the use of available technology to improve the claims management process and make claims handling more efficient
- 4. HRD102 Addition of a permanent Administrative Assistant position and \$66,486 to provide DHRD with the staff it needs to fulfill its statutory duties pursuant to Act 57, SLH 2019. The Administrative Assistant is integral to DHRD's operations and services provided to other State agencies.
- 5. HRD102 Addition of two permanent Program Specialist positions, one permanent Human Resources Technician position, and \$3,681,623 for the Student Helper/Intern and Kuana'ike programs to provide the State Executive Branch departments with learning and development resources for our future workforce.

We are aware of the challenges ahead and remain committed to work with the Legislature to seek solutions that effectively balance short-and long-term priorities.
