
A BILL FOR AN ACT

RELATING TO FRAUD.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the house of
2 representatives adopted House Resolution No. 9 (2022) to
3 establish the commission to improve standards of conduct. The
4 resolution requests the commission ensure state laws and rules
5 relating to standards of conduct of public officers and
6 employees contain clear standards, enforcement, and penalties
7 and provide recommendations to increase awareness of, compliance
8 with, and deterrent effects of the code of ethics, lobbying
9 laws, campaign finance laws, and other relevant laws and rules.

10 Pursuant to House Resolution No. 9, the commission to
11 improve standards of conduct convened regularly throughout 2022
12 to diligently review, discuss, and consider the issues
13 presented, submitted an interim report to the house of
14 representatives outlining areas of immediate and long-term
15 focus, then continued its work with input from the public and
16 invited individuals and agencies to issue a final report with
17 various recommendations and accompanying proposed legislation.

H.B. NO.

1 The legislature also finds that the strength and stability
2 of our democratic government rely upon the public's trust in
3 government institutions, including the expectation that officers
4 act ethically with prudence, integrity, and sound judgement.
5 Therefore, an essential goal of the commission was to provide
6 recommendations that would help restore public trust in state
7 government and increase the level of transparency in its
8 operations and accountability of individuals.

9 Accordingly, the purpose of this Act is to implement
10 recommendations of the commission to improve standards of
11 conduct relating to combatting fraud by establishing a general
12 fraud statute which is intended to cover schemes to obtain
13 financial or other gain by means of false statements,
14 misrepresentations, concealment of important information, or
15 deception. The Act is modeled after the following federal
16 general fraud statutes:

- 17 (1) Title 18 United States Code section 1341 (mail fraud);
18 (2) Title 18 United States Code section 1343 (wire fraud);
19 (3) Title 18 United States Code section 1346 (definition
20 of "scheme or artifice to defraud"); and
21 (4) Title 18 United States Code section 1344 (bank fraud).

H.B. NO.

1 Therefore, in application of this Act, State courts and counsel
2 should look to federal caselaw and precedent for direction. It
3 should be noted that the references in the federal statutes to
4 "mail" and "wire" are merely the jurisdictional "hooks" for
5 federal jurisdiction.

6 SECTION 2. Chapter 708, Hawaii Revised Statutes, is
7 amended by adding a new section to part IV to be appropriately
8 designated and to read as follows:

9 "§708- Fraud. (1) A person commits the offense of
10 fraud if, with the intent to defraud, the person executes or
11 attempts to execute any scheme or artifice to defraud or to
12 obtain money or property by means of false or fraudulent
13 pretenses, representations, or promises.

14 (2) For the purposes of this section "scheme or artifice
15 to defraud" includes a scheme or artifice to deprive another of
16 the intangible right of honest services.

17 (3) Fraud is a class B felony and a person convicted under
18 this section shall be sentenced with a mandatory minimum term of
19 imprisonment of one year, without the possibility of probation."

20 SECTION 3. New statutory material is underscored.

H.B. NO.

1 SECTION 4. This Act shall take effect upon its approval.
