I am a current resident of Maliki. I would like to express my support for reform measures to improve the accountability and ethics of elected officials in the state. Specifically,

**The full public funding for all State and County elections in Hawai'i.**

**\*Banning the solicitation or acceptance of campaign donations during the legislative session.**

**\*Reducing the cap on campaign donations** from from \$6,000, \$4,000 and \$2,000 to \$100.

**\*Banning contributions from corporations and unions**

**\*Limit candidate campaign war chests.**

I believe that lessons learned from the experience in other states will allow us to move confidently toward these measures and will be important for creating a fair and productive state government. I urge you to move forward in these measures.

Sincerely,  
Virginia Loo, Ph.d.
