Aloha CISC ‘ohana,

My name is Dyson Chee, and I am submitting testimony to urge the CISC to include the following in your recommendations to the Hawai‘i State Legislature:

- 1) Allow voters to decide whether or not to establish term limits for State legislators
- 2) Establish a publicly fully funded election program providing qualified candidates sufficient means to run credible campaigns
- 3) Require the legislature to comply with the state constitution Article III – Section 12
- 4) Require recorded votes by committee members for every decision impacting bills referred to their committee
- 5) Require all elected officials holding a State or County office to disclose all outside income
- 6) Restrict the use of campaign funds for use only in the campaign cycle they are donated in, and only for activities directly related to that campaign
- 7) Ban the acceptance or solicitation of campaign contributions during the legislative session
- 8) Ban all campaign contributions from corporations and registered lobbyists
- 9) Reduce the maximum campaign contribution to \$500.

Mahalo for the opportunity to testify and for your consideration. I appreciate your hard work!

Sincerely,
Dyson
