III. Administrative Requirements

A. Procurement Delegation

Procurement delegation is not effective until the individuals have completed the required training, has an approved SPO Form 36, Procurement Delegation and listed on the Exhibit A.

Personnel with procurement authority above must have the appropriate training for HRS chapters 103D, 103F and the approved SPO Form 36 Procurement Delegation before they participate in any procurement activity. The term "participate" means the various procurement activities such as to oversee/supervise the procurement process; develop, draft, review, edit conduct, manage or approve the specifications or solicitation; administer the contract.

B. Procurement Delegation List (Exhibit A)

A separate Procurement delegation list identifies DOT employees that have specific procurement delegation by procurement method. This list will be updated on a regular basis and attached in the DOT Library.

C. Procurement Exemption

The approver for procurement exemptions as listed in HRS Section 103D-102 including utility expense requires the approver to attend State Procurement Workshop 125, Exemptions from HRS Chapter 103D

Procurement Delegation
Effective January 25, 2019

and authorized in the DOT Procurement Delegation.

D. Purchase Requisition

The Purchase Requisition is the authorizing document for the issuance of the Purchase Order. **Purchase Orders and Pcards may not be issued or used unless there is a Purchase Requisition signed by an authorized person.**

E. Small Purchases

The small purchase method of procurement may only be used for purchases that fall under the small purchase threshold amount, have clear specifications, and where award is based on the lowest responsive, responsible quote. That is, award shall be to the lowest priced quote meeting all specifications.

Small purchase thresholds are less than \$100,000 for goods, services, or \$250,000 for construction** conducted in accordance with small purchase procedures.

** Reference: Act 173, SLH 2012 established thresholds for small purchases.

F. Parceling

HAR 3-131-1 defines parceling as the artificial division or intentional division of a purchase of same, like, or related items of goods, services, or construction into several purchases of smaller quantities, in order to evade the statutory competitive requirements.

The total of multiple purchases of same like or related goods, services or construction shall not exceed the small purchase threshold for any 12-month period.
