DECISION MAKING TO FOLLOW

Persons wishing to offer comments should submit testimony at least **24 hours** prior to the hearing. Testimony received after this time will be stamped late and left to the discretion of the chair to consider. While every effort will be made to incorporate all testimony received, materials received on the day of the hearing or improperly identified or directed, may not be processed.

**If during the course of the hearing it appears that there will not be sufficient time to allow everyone to be heard, the chairperson reserves the right to limit the remaining testifiers to two-minutes. This two-minute policy will be enforced to ensure fairness and adequate consideration to all bills.**

Testimony submitted will be placed on the legislative website. This public posting of testimony on the website should be considered when including personal information in your testimony.

The chair may institute a per-testifier time limit.

Committees meeting in the morning must adjourn prior to the day's Floor Session. Therefore, due to time constraints, not all testifiers may be provided an opportunity to offer verbal comments. However, remote testifiers' written submissions will be considered by the committee.

Please refrain from profanity or uncivil behavior. Violations may result in ejection from the hearing without the ability to rejoin.

The House will not be responsible for bad connections on the testifier's end.

For general help navigating the committee hearing process, please contact the Public Access Room at (808) 587-0478 or [par@capitol.hawaii.gov](mailto:par@capitol.hawaii.gov).

The cable TV broadcast and/or live stream of this meeting will include closed captioning. If you require other auxiliary aids or services to participate in the public hearing process (i.e. interpretive services (oral or written) or ASL interpreter) or are unable to submit testimony via the website due to a disability, please contact the committee clerk at least 24 hours prior to the hearing so that arrangements can be made.
