Aloha Friends and Neighbors,

First of all, I would like to thank everyone for giving me the opportunity to represent District 39 in the Hawaii State House of Representatives. I am humbled by your continued support and it is my honor to serve our community. I would like to offer you these highlights about the events this office has been participating within the community.

Honouliuli National Monument

On March 31, 2015 an important part of Hawaii's history took place, as federal, state, and community leaders gather to dedicate the Honouliuli National Monument. This marked such a dark time in our history, when thousands of Japanese Americans in Hawaii and across our country faced discrimination and were forced into internment camps. The structure remains as a memorial that will educate future generations, to get a sense of such a time, and acknowledge that this part of history shall not be repeated.

Easter at Village Park

In celebration of the Easter, the Village Park Association held their annual Easter egg hunt on Saturday April 4, 2015. Mahalo to the community for your participation in the festivities and to the Village Park Association and their sponsors for organizing and hosting this fun filled event.

Hawaii Tokai University

Hawaii Tokai International College is a state-of-the-art, 85,000 square foot, sustainable campus on three acres of UH West Oahu land. Hawaii Tokai International College has operated in Hawaii for more than 17 years with tremendous success, focusing on its College Preparatory program, Associate of Arts degree program and International Studies program.
