

Kapolei Business Park—West

Kapolei Business Park-West is a planned 63-acre industrial park that will consist of 27 fee simple industrial lots. Along with Rep. Har, I attended the dedication and blessing of the KPB—West and also celebrated the completion of Lauwiliwili Roadway extension and Kapolei Kai Street.

Ma’o Farms

Ma’o farms held a half-day summit which included meeting with key stakeholders to coordinate their work in increasing the numbers of Waianae Moku youth who matriculate into college. I was able to brainstorm with teachers, admin and counselors of several educational institutions on how we can better support and ensure the students are provided the support and resources to successfully transition from high school, to college and then into their career field.

Kamehameha Schools Ke Kula Ha’aha’a Elementary School

I had the opportunity to spend one of my mornings talking with the students of Kamehameha Schools Ke Kula Ha’aha’a Elementary School. They are bright young children who were inquisitive and excited as we talked about their kuleana of taking care of their community and their families and the importance of voting. I also shared with them some information about what goes on in the Legislature and how they as individuals can influence what the Legislators do at the Capitol. While talking with the class I had the opportunity to meet a few students from our district that knew about my responsibilities as their Representative. One particular student, took the time to create a proposal for a bill and made sure I had a copy of the proposal to take back to my office.
