Re: Board of Optometry re-application

Dear Boards and Commisions,

I am currently serving on the board of optometry as vice-chair and would to apply for a second term after my current term ends 6/30/22. My CV is as follows:

Southern College of Optometry

August 1990 to October 1990:
employed by Drs. Au and Lau

October 1990 to present:
self employed optometrist

Please consider my application as I would like to continue to serve the people of the Hawaii for another term. Mahalo.

Yours truly,

K. Paul Chin, O.D.
