Key Skills

Marketing
Project Management
Budget Planning
Social Media
Planning

Communication

Throughout my business career, I took a key role in handling the aspects of public relations and/or expectations of the company I represented in the community, to our clients, and associates.

Essential for me to always be the catalyst for our company to be part of creating a better lifestyle for the community and families in our organization.

Leadership

A quality I aspire to engage everyone I have the privilege to work with is to understand a true leader is about creating an environment that together we all are part of the solution. My management style is based on opportunity to create a healthy, safe and engaged team, empowered to work hard to achieve success and financial stability.
