

George I. Atta, FAICP, LEED AP, CEI

Professional Highlights

2013 — 2017 **Director, Department of Planning and Permitting**
Department of Planning & Permitting, City & County of Honolulu

As the Director of the Department of Planning and Permitting, I provided leadership, administration, and management for a department of 300 employees in areas relating to long-range planning; building and construction; traffic and engineering, land use and development, and commercial/residential enforcement. I reported directly to Mayor Kirk Caldwell throughout the years with the City and County of Honolulu.

1988 — 2013: **Principal, Partner, Project Manager**
Group 70, Honolulu, Hawaii

As the Principal, Partner, and Project Manager for Group 70 (now known as G70), I provided leadership for transit design plans, public facilities, environmental assessment/EIS documents, and various land use permit applications. Coordinated community advisory groups and public meetings, as well as managing project scheduling, budgets and consultant coordination. Areas of specialization included public facilities, historical/cultural landscapes, resource management, land use compatibility, wetlands delineation, environmental inspections and disaster planning and mitigation.
