RELATING TO NOISE CONTROL.

Enhances the control of low-frequency noise emitted from establishments regulated by county liquor commissions by setting a maximum permissible noise level in dBC measurements. Clarifies that emission of noise that exceeds the maximum permissible noise level constitutes a noise violation. Allows noise violations to be enforced by summons or citation issued by law enforcement officers. Allows county liquor commissions to adopt rules to issue fines for noise violation. Allows county liquor commissions to revoke or suspend a liquor license; deny the application, renewal, or transfer of a license; or withhold issuance of a license when the licensee or applicant fails to take corrective action to address noise complaints or violations.
