As stated in §171.4-5, (d) the AMAC may provide advice on the following:

1. Integrating indigenous resource management practices with western management practices in each moku;
2. Identifying a comprehensive set of indigenous practices for natural resource management;
3. Fostering the understanding and practical use of Native Hawaiian resource knowledge, methodology, and expertise;
4. Sustaining the State's marine, land, cultural, agricultural, and natural resources.

7. Developing an administrative structure that oversees the aha moku system.

A heavy kuleana for each of the nominees, but the people of each of their islands know them and respect them for their incredible generational knowledge of the natural and cultural resources. Because of this, they can, and do fulfill the mandates of the Aha Moku Act. Additionally, we respect each one for their compassion, their courage and their individual and specific love for God, their 'Aina and the Na Iwi O Hanau O Ka'Aina, the people born of the land. They share all of this with the Public Trust.

Respectfully yours,

Comments:

On behalf of the Hui Maka'ainana O Makana, Ha'ena, Kaua'i, we ask this committee to strongly consider Charles Young for the Aha Moku Advisory Committee. We know him as a strong advocate for his community of Ho'okena. He, also, has very strong organizational skills. Personally, I have known Charles for at least ten years and feel his skills set is exactly what the Aha Moku needs at this point in it's development. My recommendation comes from my experience serving with the Aha Moku of Kaua'i.

Mahalo Presley Wann (currently President for the Hui Maka'ainana O Makana)
