RE: GM 790- Appointment of Rebecca Lieberman to Enhanced 911 Board

Aloha Chair Moriwaki, Vice-Chair Dela Cruz and members of the committee,

On behalf of S360, I submit testimony in **strong support** of the appointment of Rebecca Lieberman to the Enhanced 911 Board.

In the time I have known Ms. Lieberman, she has displayed a commitment to her community and the people of Hawai'i. She has worked tirelessly to ensure that communities across the state are well-served and connected to vital broadband services. Her work with Charter Communications (Spectrum) has given her a unique insight to the challenges, barriers and tremendous benefits to building and implementing a complicated statewide network, that will need to serve residents in times of emergency and public safety.

With her collaborative approach to work, Ms. Lieberman will be a valuable addition to the Enhanced 911 Board, and I respectfully encourage the Committee pass this GM to the full Senate.

Mahalo for the opportunity to submit testimony.

**TESTIMONY OF ROBERT TOYOFUKU IN SUPPORT OF THE NOMINATION
OF REBECCA LIEBERMAN TO THE ENHANCED 9-1-1 BOARD**

April 12, 2022

To: Chairperson Sharon Moriwaki and Members of the Senate Committee on Government Operations:

My name is Bob Toyofuku and I am an attorney licensed in the State of Hawaii and have been primarily involved in government affairs for various clients including Charter Communications. I am testifying in strong support of Rebecca Lieberman to be a member of the Enhanced 9-1-1 Board.

I have had the opportunity to work with Ms. Lieberman since she became the state director of government affairs in Hawaii for Charter Communications. We have worked together weekly during the year and especially during the legislative session to review and discuss the various bills and issues that the company is involved with. She is extremely organized and efficient and I have been impressed with her knowledge of the various matters that Charter is dealing with in the very short time that she has been in Hawaii. She engages easily with others including legislators as well as community representatives and will be an asset to the Enhanced 9-1-1 Board. I feel that she is an excellent listener and one of her strongest attributes is her ability to follow up on matters. She has a very positive attitude and is interested in solving the problems and/or issues that she is confronted with. Further, she is not averse to making the decisions in order to resolve an issue.

Her organizational ability and skills and her ability to listen to everyone and to assist in solving problems makes her well suited to be a board member on the Enhanced 9-1-1 Board.

I wholeheartedly support her nomination and urge this committee to recommend her for this position and for the Senate to confirm her. Thank you for the opportunity to submit this testimony.

**Support for Governor's Message 790 – for consideration and confirmation to the Enhanced 911 Board,
Gubernatorial Nominee, REBECCA LIEBERMAN, for a term to expire 06-30-2025**

To: Senator Sharon Y. Moriwaki, Chair
Senator Donovan M. Dela Cruz, Vice Chair
Members of the Committee

From: Jeannine Souki

Aloha Honorable Chair, Vice Chair and Members of the Committee:

Thank you for the opportunity to submit written support for Governor's Message 790 – for the consideration and confirmation to the Enhanced 911 Board, Gubernatorial Nominee, of Rebecca Lieberman, for a term to expire 06-30-2025.

The Enhanced 911 Board provides unified leadership for all E911 issues through planning coordination and consultation among emergency responders and representatives from various wired and wireless telecommunication service providers.

As the Director of State Government Affairs for Charter Communications (Spectrum) in Hawaii, Ms. Liberman would be a worthy addition to the E-911 Board. You will find her to be very knowledgeable, diligent and committed to becoming an asset to this working board. Upon confirmation, Ms. Lieberman will succeed Kiman Wong, a long-time E-911 board member who recently retired from Charter Communications (Spectrum) after having 27 year career with the company. Since first providing voice over internet protocol service to Hawaii customers, Charter Communications (Spectrum's) and its predecessor Oceanic Time Warner Cable have maintained a volunteer role on the E-911 board. For these reasons, I respectfully urge your committee's consideration and confirmation of Rebecca Lieberman to serve the remainder of this term.

Thank you for the opportunity to submit my written testimony in support for GM 790.
